

Additional Information

Cockburn is a city with enormous potential but with rapid growth comes real challenges. We need a Mayor with proven experience, a strong track record of service, and a clear vision for the future. I believe I bring all three.

I was born in Cornwall, England, and moved to Australia in 1989. With a background in the building trade and small business ownership, I understand hard work, accountability, and what it takes to deliver results. In 2006, I began working in the Cockburn State Members Electorate Office, where I served for 14 years helping thousands of local residents resolve issues and improve their lives.

Elected to the City of Cockburn Council in 2014, and re-elected in 2018 and 2022, I've served on every major Council committee, including:

Audit & Strategic Finance

CEO Performance Review

South Metropolitan Regional Council

Grants & Donations

Bush Fire Advisory Group

And many more.

I'm also a Justice of the Peace, a volunteer firefighter with the South Coogee Volunteer Bush Fire Brigade, and a board member at the Cockburn Wetlands Centre. I'm an active member of our community supporting local groups like the Cockburn RSL, Cockburn Bowling Club, and the Spearwood Dalmatinac Sport & Community Club. I also volunteer monthly at the Cockburn Repair Café.

As Mayor, I'll bring practical leadership, clear communication, and a deep commitment to the people of Cockburn. I will advocate for safer streets, better infrastructure, responsible development, and strong environmental protections.

I will be a Mayor for all—honest, accessible, and focused on delivering for our community.
