

Additional Information

My name is Jacob Busby, and I want to make the City of Cockburn a better place for all who live here. Having lived here my whole life, I know the issues that the locals face, especially in Spearwood and Hamilton Hill. I want to be a strong local voice for us all that can help make real change for our community.

A big part of the issues I believe we face is our lack of local funding. Whenever I'm in a suburb like Success or Cockburn Central, I see all of the development done and wonder why we don't see the same thing here. I'm sure you probably think the same thing, and that's a key part of what I want to advocate for, a fair distribution of funding so we can all benefit from the rates we pay.

I believe we also need to address the crime in our neighbourhoods. It's no secret that Hamilton Hill and Spearwood are starting to slip when it comes to the safety in our community, and I believe that the council is in a unique position to change that. By providing more youth services for West Cockburn, we can divert teenagers and young adults from crime and help them engage with the community in a positive way, something that would benefit us all.

With all of this being said, I want you to vote for me as a Councillor for Cockburn in the West Ward. I want to help Cockburn be the best city it can be, but I need your help to do that. A vote for Jacob Busby is a vote for your suburb, your funding, and your community.
