TO BE CARRIED BY AN ABSOLUTE MAJORITY OF COUNCIL

Background

Council adopted its annual Municipal Budget at the 29 June 2023 Special Council Meeting, and in accordance with statutory provisions, a formal report on the performance of the budget to the end of December 2023 is presented to the February 2024 Ordinary Council Meeting.

Section 33A (1) of the *Local Government (Financial Management) Regulations 1996* requires that Council reviews the six-monthly performance of its annual budget between 1 January and 31 March each year.

Submission

N/A

Report

The objective of the budget review exercise is to identify and address any significant variations to Council's adopted budget.

The City's budget managers assessed their budget performance to 31 December and made submissions based on identified financial requirements for the remainder of the year.

The detailed schedule attached to the agenda consolidates the submissions made and this includes brief explanations for the changes requested.

Budget submissions were also reviewed by the Finance and Executive teams.

While the mid-year budget review is a formal process driven by a statutory requirement, it is worth noting that Council also amends its budget throughout the year via changes recommended through the Expenditure Review Committee.

The results of the budget review and its impact on the City's closing municipal budget position for 2023-24 are demonstrated in the following summary table. The closing budget surplus stays at \$359,467 as adopted at the December 23 OCM.

Projected Budget Position for 2023-24 following budget review:

Adopted Closing Municipal Surplus	262,844	Surplus
ADD net budget adjustments before statutory budget review	96,622	Reported in monthly Agendas
Closing Municipal Position before mid-year review	\$359,467	Surplus
Mid-year budget review items:		
Opening Surplus from 2022-23	-972,682	Decrease
Operating Revenue	+5,875,044	Increase
Operating Expenditure	-1,361,706	Increase
Capital Revenue	-2,773,339	Decrease
Capital Expenditure	+8,782,292	Decrease
Asset sale proceeds	+4,000	Increase
T/F from Reserves	-3,626,923	Decrease
T/F to Reserves	-5,926,686	Increase
Net mid-year budget review adjustment	Nil	
Closing Municipal Position after mid-year review	359,467	Surplus

Opening Surplus

The City's opening surplus is currently budgeted at \$10.76 million, as adopted by Council in September 2023 primarily funding the City's carry forward works program.

Following audit completion, the actual surplus brought forward has been confirmed at \$9.79 million, resulting in a shortfall of \$0.97 million to the City's budget.

The budgeted opening surplus amount has been adjusted in the mid-year budget review to reflect the audited surplus brought forward figure.

Operating Revenue

The net increase to operating revenue of \$5.88m includes the following significant items:

- Increased landfill fees revenue as there has been more commercial tonnages entering the gate (+\$3.31m).
- Increased interest revenue due to RBA cash rate increases (+\$2.60m).
- A higher proportion of rate payers have paid the underground power service charge in full, instead of utilising the 10-year instalment plan (+\$0.70m).
- Additional interim and part-year rating revenue (+\$0.89m, with \$0.31m from Jandakot City).

Operating Expenditure

The net increase to operating expenditure of \$1.36m includes the following significant items:

- The landfill levy payable has increased due to the higher tonnages going to landfill (+\$2.70m).
- Increase in salaries across several areas needed to fund leave coverage and EA increases on casual rates (+0.86m).
- Increase in Workers Compensation Insurance Premium based on prior years performance adjustment estimates (+\$0.38m).
- Increase in software support expenses to cover for TechnologyOne, Adobe and Microsoft Teams Calling licenses (+\$0.20m).
- Increase in street lighting utilities charges due to growth in streetlights and higher tariff charges (+\$0.25m).
- Increase in operating cost at the Henderson Landfill due to current fuel price (+\$0.22m).

Capital Revenue

Capital related revenue has decreased by a net \$2.77m and includes the following significant items:

- Grant funding for the Rockingham Road and Phoenix Roundabout will be returned to funding body, with project rescheduled to commence planning in FY25 incorporating wider scope road improvement objectives. Will incorporate a revised external funding model (-\$1.55m).

- Local Roads & Community Infrastructure (LRCI) grant funding for the Omeo Port Coogee Southern Amenities deferred to the following financial year in line with delayed project delivery due to redesign requirements. (-\$1.08m).
- Road construction on North Lake Road Waverley to Forrest Road has been completed, with surplus Regional Road Grant funding redirected to Rockingham Road Revitalisation project (+\$0.33m).

Capital Expenditure

The City's capital program will be reduced by a net \$8.78m, with the following noteworthy items included:

- The budget review identified 30 capital projects that will be deferred and re-budgeted in FY25 or later, due to incapability to complete this financial year (-\$6.85m).
- Anticipated spend on several capital projects reduced this year, including the following major items:
 - Omeo Port Coogee Southern Amenities construction - delayed due to redesign requirements (-\$1.00m)
 - Cockburn ARC Aquatic Area Rectification Works – requires further investigation and consultation (-\$1.20m)
 - Smart LED Street Light Replacement – contract discussions ongoing and not technically a City capital project, given street lights are owned by Western Power (-\$0.93m)
- Purchase of Verge collection trucks and loaders put on hold due to deferral of service review and any resulting changes (-\$0.88m)
- Following community engagement, the RAC Healy Road bike path construction has been cancelled (\$-0.31m).
- Road construction on North Lake Road Waverley to Forrest Road has been completed under budget (+\$0.33m).
- Landscaping and courtyard work at the Integrated Health Centre has reduced funding requirement (-\$0.26m).
- Shade installation at the CY O'Connor Reserve has been completed under budget (-\$0.24m).
- Returning excess funding in the Resident Group Project Grants (-\$0.17m).
- Increase in costs at the Stage 1 Enabling Works at the Henderson Landfill primarily due to cost of disposing hazardous asbestos material (+\$1.52m).

Reserve Transfers to Municipal

Reserve funding required for the FY24 budget has reduced by a net \$3.63m. This includes a \$3.64m reduction associated with the net reduction made to the capital expenditure budget.

It is worth noting that included within the net reduction in reserve funding, there is an increase of \$1.52m reserve funding to fund the increase in costs for Stage 1 Enabling Works at the Henderson Landfill.

Municipal Transfers to Reserve

Changes to transfers to reserves result in additional net transfers of \$5.93m.

This includes transfers relating to the increase in landfill fees received of \$2.83m, increase in underground power service charges received of \$0.70m, and an internal loan repayment of \$0.38m by the Port Coogee Marina towards the marina expansion funding debt – transferred to the Land & Development Reserve (original debt of \$6.0m plus interest).

The consolidated result from the mid-year budget review netted an additional \$2.90m, reduced to \$1.93m after factoring the opening surplus adjustment of \$0.97m.

In accordance with Council's Corporate Strategic Planning & Budget Policy, these funds are proposed to be directed into the HWRP Post Closure and Contaminated Sites Reserve to address the current shortfall in provision for future capping and post closure costs at the Henderson landfill (+\$1.93m).

The existing budget surplus of \$0.36m is available for any incidental funding needs that may arise in future through the Expenditure Review Committee.

Strategic Plans/Policy ImplicationsListening and Leading

A community focused, sustainable, accountable and progressive organisation

- Best practice Governance, partnerships and value for money.

Budget/Financial Implications

The Municipal Budget will be amended in accordance with the recommended changes contained in the report attachment. There is no change to the municipal budget surplus of \$359,467 given surplus funds identified through the budget review will be transferred into the City's reserves.

Risk Management Implications

The City is required to prepare and adopt a Mid-Year Budget Review as part of the financial reporting requirements of the *Local Government Act 1995*.

Failure to adopt the results of the review process in the attached report will make the City non-compliant with this legislative requirement.

It could also impair or overstate the City's financial capacity to deliver budgeted works and services.

RECOMMENDATION

That Council:

- (1) RECEIVES the list of payments from the Municipal Fund during the month of November and December 2023, as attached to the Agenda.
- (2) RECEIVES the list of transactions made from purchase cards during the month of November and December 2023, as attached to the Agenda.

Background

Council has delegated its power to make payments from the Municipal or Trust Fund to the Chief Executive Officer and other sub-delegates under Delegated Authority 'Local Government Act 1995 - Payment from Municipal and Trust Funds'.

Regulation 13 (1) of the Local Government (Financial Management) Regulations 1996 requires a list of accounts paid under this delegation to be prepared and presented to Council each month.

A new Regulation 13A under the Local Government (Financial Management) Regulations has come into effect on 1 September 2023, requiring a list of payments to be prepared and presented to Council each month for those made by employees using credit, debit, or other purchasing cards.

It should be noted the City has already been reporting in this format since July 2022, following a Council decision at that time to introduce detailed credit card expenditure reporting.

Report

Payments made under delegation during the month of December totalled \$23.071 million, and a listing of these is attached to the agenda for review by Council.

These comprise:

- EFT payments (suppliers, sundry creditors) - \$19.066 million (622 payments)
- Cancelled EFT payments - \$3,620
- Payroll payments - \$3.888 million (2 fortnights)
- Corporate credit cards – total of \$111,461 (77 cards used)
- Bank transactional fees (BPay and merchant fees) - \$8,554.

The City has several payment runs each month to ensure its trade suppliers are paid on a timely basis, particularly local and small businesses.

Also attached is the monthly credit card payments report, showing October transactions (paid in November) and November transactions (paid in December) grouped by cardholder position. There was no transaction made on the CEO's credit card.

Local Government reforms centred on improved financial management and reporting were gazetted on 30 June 2023. These included the insertion of new regulation 13A to the Local Government (Financial Management) Regulations 1996, effective from 1 September 2023 requiring the City to include transactions made on purchase cards.

The Department of Local Government, Sport and Cultural Industries have provided guidance outlining the types of purchase cards to be included, being those using an approved line of credit. These include the following:

- business or corporate credit cards
- debit cards
- store cards
- fuel cards
- taxi cards

The City has reviewed its purchase cards held across the City and identified the following usage for December (and November) 2023:

- Woolworths Group – 6 cards totalling \$2,370.98 (10 cards totalling \$5,444.93).
- Bunnings PowerPass - 11 cards totalling \$2,757.33 (15 cards totalling \$4,439.07).
- BP Plus fuel card – 91 cards totalling \$30,872.16 (96 cards totalling \$34,717.20).

Local Procurement

Monthly statistics on local and regional procurement spend are summarised below, showing the spend amounts and percentages against total spend:

Procurement Report - Local Buy Summary & Trends

December 2023

Monthly Statistics	Local/Regional Spend	\$952,192	CoC Local \$	15.7%	Local/Regional \$	22.3%
	CoC Local Spend	\$668,606	CoC Local %	30.3%	Local/Regional %	36.6%
Aboriginal Engagement	Suppliers used YTD	11	Orders raised	86	Committed spend YTD	\$86,092

In December, local spending within Cockburn made up 15.7 percent of the City's monthly spend, comprising 30.3 percent of all procurement transactions made for the month.

Within the Perth South West region, this increased to 22.3 percent of monthly spend from 36.6 percent of transactions.

The following one year rolling chart to December 2023 tracks the City's procurement spend with businesses located within Cockburn and the Perth South West region.

The 12-month rolling local Cockburn spend was \$16.45 million, representing 19.7 percent of the City's total spend, with \$21.85 million or 26.1 percent of total spend within the Perth South West regional area.

These results track the City's performance in achieving Council's "local and regional economy" and the "social" principle contained within its Procurement Policy (i.e. a buy local procurement preference).

Social Procurement

To the end of December, the City had engaged eleven (11) aboriginal businesses, with a total YTD spend of \$86,092 (10 businesses and \$65,102 last month).

Strategic Plans/Policy Implications

RECOMMENDATION

That Council:

- (1) ADOPTS the Monthly Financial Report containing the Statement of Financial Activity and other financial information for the months of November and December 2023, as attached to the Agenda.

Background

Local Government (Financial Management) Regulations 1996 prescribe that a Local Government is to prepare each month a Statement of Financial Activity.

Regulation 34(2) requires the Statement of Financial Activity to be accompanied by documents containing:

1. Details of the composition of the closing net current assets (less restricted and committed assets)
2. Explanation for each material variance identified between year to date (YTD) budgets and actuals
3. Any other supporting information considered relevant by the Local Government.

Regulation 34(4)(a) prescribes that the Statement of Financial Activity and accompanying documents be presented to Council within two months after the end of the month to which the statement relates.

The regulations require the information reported in the statement to be shown either by nature or type, statutory program, or business unit.

The City has chosen to report the information according to nature or type and its organisational business structure.

Local Government (Financial Management) Regulations 1996 - Regulation 34 (5) states "Each financial year, a Local Government is to adopt a percentage or value, calculated in accordance with the Australian Accounting Standards, to be used in statements of financial activity for reporting material variances."

This regulation requires Council to annually set a materiality threshold for the purpose of disclosing budget variances within monthly financial reporting.

The materiality threshold has been set by Council at \$300,000 for the 2023-24 financial year (FY24).

Detailed analysis of budget variances is an ongoing exercise, with necessary budget amendments either submitted for Council approval through the Expenditure Review Committee or included in the City's mid-year budget review required by legislation.

Report

The attached Monthly Financial Report for December 2023 has been prepared in accordance with the Local Government Act and the associated Financial Management Regulations.

As there was no Council meeting held in January, the November 2023 financial report is also included for adoption.

This was reviewed by management, with the following commentary addressing key financial results and the City's budgetary performance to the end of the month.

Statement of Financial Position

Due to amendments to the *Local Government (Financial Management) Regulations 1996*, Regulation 35 (1) requires the City to now include a Statement of Financial Position each month in the financial report.

This shows the City's financial position at the end of the month, compared to the end of the previous financial year. Net assets total \$1.866 billion at the end of the month (\$1.802 billion end of June), mainly increasing due to the levying of the annual rates.

Opening Surplus

The now audited opening surplus of \$9.79 million is \$0.97 million under the amended budget of \$10.76 million. This variance has been addressed in the mid-year budget review. The surplus includes \$8.76 million of municipal funding for the City's carry forward projects (adopted by Council in August).

Closing Surplus

The City's YTD closing surplus to the end of December was \$72.23 million, compared to a YTD budget of \$63.39 million.

This represents a favourable variance of \$8.84 million, inclusive of variances across the FY24 operating and capital budgets reported in the following sections.

The full year surplus is currently budgeted at \$359,467, increased from Council's adopted budget surplus of \$262,844. This fluctuates throughout the year due to various budget amendments adopted by Council (e.g., Expenditure Review Committee recommendations and the statutory mid-year budget review).

Operating Revenue

Operating revenue of \$161.06 million was \$5.67 million ahead of YTD budget for December.

The following table summarises the operating revenue budget performance by nature:

Revenue from operating activities	Amended		YTD Actual \$	YTD Variance \$
	Full Year Budget \$	YTD Budget \$		
Rates	125,200,000	124,842,500	125,644,003	801,503
Specified Area Rates	555,000	549,048	597,984	48,936
Operating Grants, Subsidies, Contributions	10,735,707	5,155,974	5,162,871	6,897
Fees and Charges	38,827,375	20,651,536	23,567,503	2,915,967
Service charges	500,000	0	0	0
Interest Earnings	8,530,280	4,311,173	5,808,506	1,497,333
Fair value adjustments to financial assets	7,372	0	0	0
Profit/(Loss) Asset Sale	1,277,988	(115,052)	277,484	392,536
Total	185,633,722	155,395,179	161,058,351	5,663,172

Material variances identified in the City's operating revenue were identified as follows:

- Rates (\$0.80 million over YTD budget) due to strong interim rating results, with the additional revenue included in the mid-year budget review.
- Fees and charges (\$2.92 million over YTD budget):
 - Waste services continues to receive landfill fees higher than YTD budget by \$2.02 million as the City has gained a new customer (City of Kalamunda) and increase in tonnages. This extra revenue has been addressed in the mid-year budget review.
 - Lease revenue received from commercial properties and the new Coogee Caravan Park lease is \$0.37 million higher than YTD budget (timing issue).
- Interest earnings are \$1.50 million over YTD budget due to higher rates of return on the City's term deposits portfolio (impacted by official cash rate movements) and the execution of a successful investment strategy (additional revenue included in mid-year budget review).

Operating Expenditure

Operating expenditure to the end of December of \$93.35 million was under YTD budget by \$4.07 million.

The following table summarises the operating expenditure budget variance performance by nature:

Expenditure from Operating Activities	Amended		YTD Actual \$	YTD Variance \$
	Full Year Budget \$	YTD Budget \$		
Employee costs	77,587,993	38,548,985	38,038,510	(510,475)
Materials & Contracts	57,126,573	27,314,887	21,933,219	(5,381,668)
Utility charges	6,317,951	3,120,529	3,189,203	68,674
Depreciation/Amortisation	42,037,630	20,226,996	20,754,136	527,140
Interest/Finance Costs	400,883	127,445	7,811	(119,634)
Insurance expenses	2,197,970	2,197,970	2,348,504	150,534
Other expenditure	11,404,389	5,878,372	7,076,892	1,198,520
Total	197,073,389	97,415,184	93,348,275	(4,066,909)

Significant variances identified in the City's operating expenditure were identified as follows:

- Employee Costs (\$0.51 million under YTD budget):
 - Employee costs are generally under budget due to underspending of \$0.46m in training and professional development activities. Salaries and wages for the Library and Cultural Services Business Unit were \$0.30 million over YTD budget primarily due to additional casuals and leave coverage requirements. Budgetary impacts have been considered in the mid-year budget review.
- Materials and contracts were \$5.38 million under YTD budget:
 - Cockburn Blue Innovation Hub has had no expenditure incurred to date, \$0.62 million against its YTD budget.
 - The delay of the City's household waste going to Waste to Energy has created a favourable budget variance of \$0.85 million, as costs are currently internalised. This has been adjusted in the mid-year budget review.
 - General underspend across Sustainability and Environment operational projects \$0.66 million behind its YTD budget.
 - General underspend across Community Development Business Unit operational projects \$0.39 million against YTD budget.
- Depreciation/amortisation were \$0.53 million over YTD. The depreciation budget for infrastructure assets revalued in June 2023 has been adjusted at mid-year budget review.
- Other expenditure was \$1.20 million over YTD budget, mainly due to extra landfill levy cost of \$1.55 million. This result is expected due to higher landfill tonnages received year to date, and has been addressed at mid-year budget review.

Capital Expenditure

Council adopted a capital works program of \$43.87 million in the FY24 annual budget, that is now \$83.63 million following the addition of carry forwards adopted by Council in August.

The City has spent \$16.88 million on its capital program to the end of December, representing an underspend of \$4.01 million against YTD budget.

Several projects have been reduced or handed back in the mid-year budget review due to inability to complete this financial year. This will reduce the value and size of the capital program, assisting a reduction in carry forwards at year end.

The following table shows the budget performance by asset class:

Capital Acquisitions	Amended		YTD Actual \$	YTD Variance \$
	Budget \$	YTD Budget \$		
Buildings	22,577,092	3,848,175	2,832,042	(1,016,133)

Infrastructure - Coastal	2,277,873	306,634	86,469	(220,165)
Total	83,598,502	20,864,351	16,881,969	(3,982,382)

- Building construction had a net budget variance of \$1.02 million under YTD due to a general lag in the delivery of the minor building improvement program (both a timing and resourcing issue).
- Plant and Equipment purchases were \$1.13 million under YTD due to long lead times in securing stock.
- Information Technology was underspent by \$0.33 million as several projects have not commenced, with the highest variance from the CCTV projects, \$100k under YTD budget.
- Drainage construction was \$0.57 million under YTD budget, with no significant variance and generally underspent across most projects.
- Parks hard infrastructure was \$1.37 million under YTD budget, with most of this within the Parks Construction program (under by \$0.96m). There were no significant project variances, with \$1.0 million committed spend.
- Landfill infrastructure is overspent by \$0.86 million against YTD budget due to extra costs incurred at the Stage 1 Enabling Works Henderson Redevelopment. This has been addressed at mid-year budget review.

Non-Operating Grants, Subsidies and Contributions

The City's budget for capital grants and contributions is a net \$7.89 million. This includes \$13.90 million in funding to be received, less an outgoing contribution of \$2.02 million to the State Government for underground power in South Lake and \$4.00 million for ceded crown land payments.

Non-operating revenue of \$0.29 million was recognised to the end of December, \$0.46 million under YTD budget (only a timing issue).

Financial Reserves

A detailed schedule of the City's financial reserves is included in the financial report, showing a balance of \$219.97 million held at the end of December (\$223.38 million in October).

Council funded reserves made up \$188.58 million of the balance, \$13.24 million for restricted and legislated purposes, and another \$18.16 million for developer contribution plans.

Transfers in and out of financial reserves are made in accordance with budgetary requirements.

Cash and Financial Assets

The City's closing cash and financial assets investment holding at month's end totalled \$266.13 million (down from \$277.81 million in October).

This balance included financial assets (term deposits and investments) of \$261.00 million, and cash and cash equivalent holdings (cash at bank and at call deposits) of \$5.13 million.

\$220.78 million of these funds were internally and externally restricted, representing the City's financial reserves and liability for bonds and deposits held.

The remaining \$45.36 million represented unrestricted municipal funds for the City's operating activities and liabilities.

Investment Performance, Ratings and Maturity

The City’s term deposit portfolio running yield has jumped to an annualised 4.83 percent as of 31 December (up from 4.68 percent in October and 4.49 percent in September).

Due to the RBA’s 25 basis point increase in November, the portfolio running yield slightly underperformed the City’s KPI target rate of 4.85 percent (cash rate of 4.35 percent plus 0.50 percent performance margin).

New investments placed during the month were at rates ranging between 5.22 and 5.40 percent over various durations.

Current term deposit investments are fully compliant with Council’s Investment Policy requirements, as indicated below:

Investment Policy Compliance		
Legislative Requirements	✓	Fully compliant
Portfolio Credit Rating Limit	✓	Fully compliant
Institutional Exposure Limits	✓	Fully compliant
Term to Maturity Limits	✓	Fully compliant

The portfolio also includes several reverse mortgage securities purchased under previous policy and statutory provisions.

These have a face value of \$2.376 million and market value of \$1.55 million, although the City currently carries them at a book value of \$0.80 million (net of a \$1.575 million impairment provision made several years ago).

The City continues receiving interest and capital payments, with \$0.624 million returned to date of the original \$3.0 million invested.

The City's investments were held with the following financial institutions as at 31 December (inclusive of accrued interest):

Issuer	Market Value	% Total Value
AMP Bank Ltd	14,753,916.55	5.52%
Auswide Bank Limited	9,795,405.47	3.67%

Westpac Banking Corporation Ltd	22,085,061.10	8.27%
Portfolio Total	267,123,260.29	100.00%

The City's short-term deposits (less than 12 months) made up 78.40 percent (\$209.42 million) of the City's portfolio, compared to 78.54 percent (\$213.38 million) in October.

These were classified under the following credit ratings:

Deposits invested between 1 and 3 years made up 21.60 percent (\$57.70 million) of the City's portfolio, compared to 21.46 percent (\$58.32 million) in October.

These were classified under following credit ratings:

Investment in Fossil Fuel Free Banks

At month end, the City held \$78.38 million (29.80 percent) of its investment portfolio with banks considered non-funders of fossil fuel related industries (\$74.91 million or 27.90 percent last month).

The amount invested with fossil fuel free banks fluctuates depending on the competitiveness of deposit rates being offered and the capacity of fossil fuel free banks to accept funds.

The City preferences fossil fuel free investments (given a similar deposit rate) in accordance with Council's Investment of Funds Policy.

Rates Debt Recovery

The collectible rates and charges for 2023-24 (comprising arrears, annual levies, and part year rating) totals \$150.90 million.

To the end of December, the City had collected \$108.63 million (71.99 percent), leaving a balance outstanding of \$42.27 million (28.01 percent). Prepayment of rates totalling \$0.93 million has also been received and will be applied to future year's rates accounts.

This year, underground power charges totalling \$3.057 million were raised against affected properties in South Lake, able to be paid either in full or over a ten-year payment plan.

To the end of December, the City had received full payment from 28.1 percent of these properties, exceeding conservative estimates for 10 percent.

The City is forecasting to collect between 40 and 45 percent of total charges in year one, with the balance to be collected over the remaining nine years of the payment plan.

In terms of overdue and delinquent rates accounts under formal or legal debt recovery processes, the City had 439 properties owing a total of \$1.50 million in combined rates and legal fees (up from 57 properties owing \$0.46 million in October).

These now include those properties that have fallen into arrears with their current year's rates and have not made any arrangements with the City.

Formal debt recovery activities are commenced when ratepayers have overdue rates and have not committed to instalment or other payment arrangements or sought relief under the City's Financial Hardship Policy.

Trade and Sundry Debtors

The City had \$2.84 million in outstanding trade and sundry debtors to the end of December (\$2.84 million in October too).

Those debts overdue by more than 90 days made up \$248k or 8.73 percent of total debts outstanding (\$312k or 10.98 percent in October).

The 90-day debtors included lease monies owed by naval base tenants totalling \$89k, landfill commercial debtors owing \$47k and another \$38k in Cockburn Care arrears being actively managed.

Listening & Leading

A community focused, sustainable, accountable and progressive organisation.

- Best practice Governance, partnerships and value for money.

Budget/Financial Implications

Budget amendments are initially referred to Council's Expenditure Review Committee for recommendation to Council. Changes adopted by Council at its December meeting have been included in this monthly financial report.

Council's adopted budget surplus for FY24 of \$262,844 has since increased to \$359,467 due to Council decisions made to the end of December 2023.

These budget surplus changes are listed at Note 8 in the financial report.

**MONTHLY FINANCIAL REPORT
FOR THE PERIOD ENDED 30 NOVEMBER 2023**

BASIS OF PREPARATION

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996*, Regulation 34. Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as and under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 30 November 2023

SIGNIFICANT ACCOUNTING POLICES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:
the asset is held within a business model whose objective is to collect the contractual cashflows, and
the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

SIGNIFICANT ACCOUNTING POLICIES

Plant assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

KEY INFORMATION

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee benefits

Short-term employee benefits

Provision is made for the City’s obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City’s obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The City’s obligations for employees’ annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The City’s obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity’s obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

BASIS OF PREPARATION

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996*, Regulation 34. Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as and under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 December 2023

SIGNIFICANT ACCOUNTING POLICES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:
the asset is held within a business model whose objective is to collect the contractual cashflows, and
the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

SIGNIFICANT ACCOUNTING POLICIES

Assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

KEY INFORMATION

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee benefits

Short-term employee benefits

Provision is made for the City’s obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City’s obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The City’s obligations for employees’ annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The City’s obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity’s obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

14.2.1 Relinquishment of Management Order - Reserve 45964 Lot 2120 Bennett Avenue, North Coogee

Executive	Chief of Operations

RECOMMENDATION

That Council:

- (1) APPROVES the proposal to relinquish Management Order No.H292103 vested by the State of Western Australia to the City of Cockburn over Reserve No.45964, situated at Lot 2120 Bennett Avenue, North Coogee for the Purpose of Drainage; and
- (2) NOTES the approval of point (1) is subject to the City approving the detailed designs for alternative drainage infrastructure provided by DevelopmentWA.

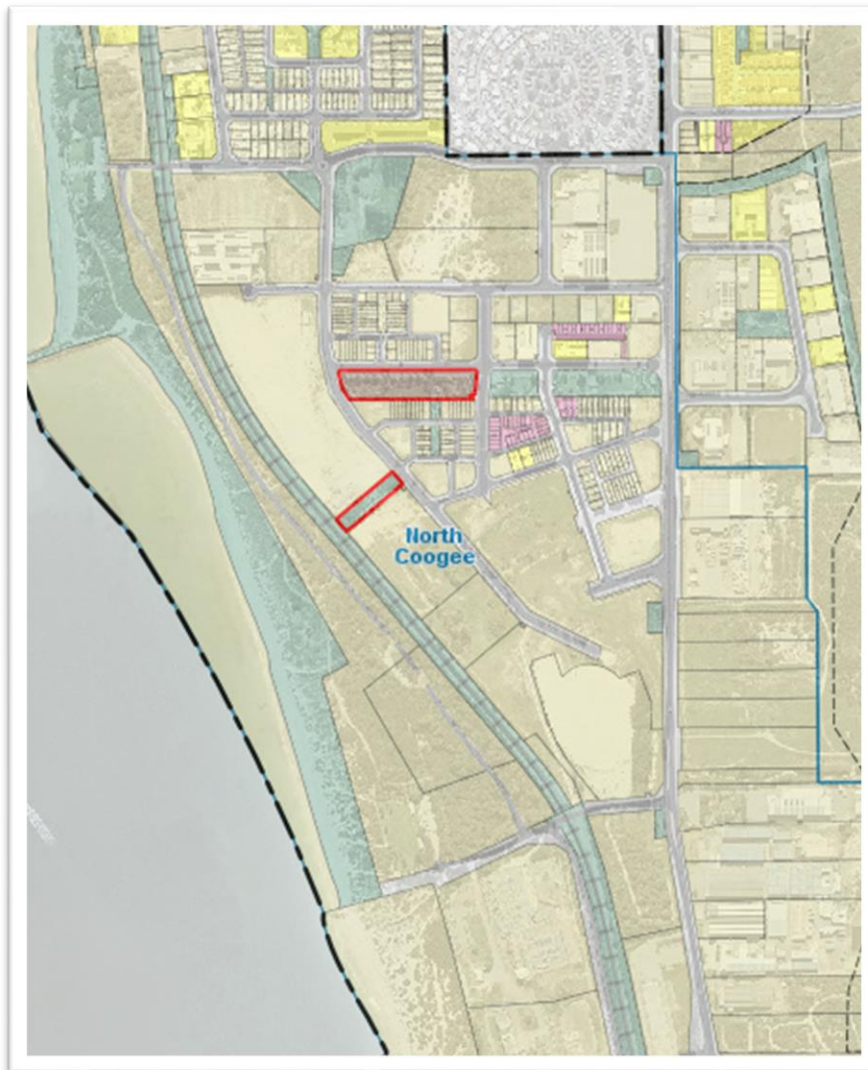

Background

DevelopmentWA has commenced the planning and design to upgrade the existing Bennett Avenue road reserve from industrial to an urban standard.

The upgrade will commence at Surada Street, North Coogee and extend to Reinforcement Parade, North Coogee.

The upgrade of Bennett Avenue will require removal of the drainage sump located at Lot 2120, as the drainage will be redirected to the existing Public Open Space drainage basin on Reinforcement Parade Lot 8001. See images below.

Submission

N/A

Report

The area of the drainage basin at Lot 2120 is part of the long-term plan for R100 residential development under the Robb Jetty Structure Plan.

In order to facilitate this development, DevelopmentWA needs to commence the process of acquiring land under the Land Administration Act, with the consent of the City of Cockburn.

Lot 2120 (Reserve 45964) is owned by the State of Western Australia under Management Order H292103 to the City of Cockburn for the Purpose of Drainage.

The City's Civil Projects Engineers will be assessing the proposed detailed designs for the diversion of stormwater from the Lot 2120 Bennett Avenue drainage basin to Lot 8001 Reinforcement Parade to alternate drainage infrastructure, to be established by DevelopmentWA.

Acceptance by the City of detailed designs as an engineered solution is essential prior to the relinquishment of Management Order H292103.

If the Council does not support or defers the recommendations further planning by DevelopmentWA will be stalled, impacting on economic growth within the City of Cockburn local government area.

If the Council takes no action on the recommendations the removal of the Management Order may become compulsory by the State of Western Australia as owner, causing further delay of investment instigated by DevelopmentWA, which may result with an unacceptable engineered drainage solution burdening the City.

14.3.1 Independent Committee Members - Meeting Attendance Fees

Executive	Executive Governance and Strategy
Author	Manager Legal and Compliance
Attachments	N/A

RECOMMENDATION

That Council:

- (1) APPROVES the meeting fee of \$415 per meeting for Independent Members of the Audit and Risk Committee.

Background

As part of the Local Government Reform, Section 5.100 of the *Local Government Amendment Act 2023* introduced provisions to provide for remuneration of fees for independent committee members.

Independent committee members are those committee members who are not Council members or local government employees.

Through the reform, amendments were introduced to make provision for independent committee members to receive meeting fees. The provisions in the regulations for reimbursement of expenses will also be expanded to include mandatory reimbursement for prescribed expenses. These changes came into effect earlier this year.

The purpose of this report is to allow for Council to consider the legislative changes and endorse the relevant meeting fee allowable under the determination.

Submission

N/A

Report

From 1 January 2024, local governments can make payments to independent committee members for attendance at meetings in accordance with the Salaries and Allowances Tribunal (SAT) determination.

On 3 November 2023, SAT made a variation to the Local Government Chief Executive Officers and Elected Members Determination, issued on 6 April 2023.

The variation sets the threshold for the payment of meeting fees for independent committee members.

Thresholds for Payment

Band	Elected Members		Independent Committee Members	
	Minimum	Maximum	Minimum	Maximum
1	\$325	\$415	\$0	\$415
2	\$195	\$305	\$0	\$305
3	\$100	\$215	\$0	\$215
4	\$50	\$125	\$0	\$125
All regional local governments	\$50	\$125	\$0	\$125

Council is now requested to adopt the meeting fee for independent members of the Audit and Risk and Compliance Committee (ARC) of \$415 per meeting, which is the maximum for Band One Local Governments.

The City holds approximately five ARC meetings per year, so based on the maximum fee determined by SAT, the total payment for two independent members is \$4,150 (or \$2,075 per member).

The recent changes also expanded the regulations for reimbursement of expenses to include mandatory reimbursement of prescribed expenses. Independent Committee members must be reimbursed for travel and childcare expenses.

There is further scope for expense reimbursement to be approved by the local government for expenses incurred by the member in performing a function under the express authority of the local government, and expenses incurred by a committee member in performing a function in their capacity as a committee member.

Strategic Plans/Policy ImplicationsListening and Leading

A community focused, sustainable, accountable, and progressive organisation.

- Best practice Governance, partnerships and value for money.
- Employer of choice focusing on equity, innovation and technology.

Budget/Financial Implications

Typically, the ARC holds five meetings per year. As the meeting fee has now been determined by SAT at \$415 per meeting, the costs for the remainder of this year can be met. The amendments also provide for mandatory reimbursements.

It is expected these costs will be approximately \$2,000 for the balance of this financial year which can be met through existing budget allocations.

5.100. Fees paid and expenses reimbursed to committee members

- (1) *In this section — committee member means a person who is a committee member but who is neither a council member nor an employee; determined means determined by the Salaries and Allowances Tribunal under the Salaries and Allowances Act 1975 section 7BAA.*
- (2) *A committee member who attends a meeting of the committee is entitled to be paid —*
 - (a) the fee determined for attending a committee meeting; or*
 - (b) if the local government has set a fee within the range determined for committee meeting attendance fees — that fee.*
- (3) *A committee member who attends a meeting of a prescribed type at the request of the council is entitled to be paid —*
 - (a) the fee determined for attending a meeting of that type; or*
 - (b) if the local government has set a fee within the range determined for meetings of that type — that fee.*
- (4) *Subsection (5) applies if a committee member incurs —*
 - (a) an expense that is of a kind prescribed as being an expense to be reimbursed by all local governments; or*
 - (b) an expense —*
 - (i) that is of a kind prescribed as being an expense which may be approved by any local government for reimbursement by the local government; and*
 - (ii) which has been approved by the local government for reimbursement.*
- (5) *The committee member must be reimbursed for the expense —*
 - (a) if the extent of reimbursement for the expense has been determined — to that extent; or*
 - (b) if the local government has set the extent to which the expense can be reimbursed, and that extent is within the range determined for reimbursement — to that extent.*
- (6) *If an expense is of a kind that may be approved by a local government for reimbursement, the local government may approve reimbursement of the expense either generally or in a particular case but nothing in this subsection limits the application of subsection (5) if the local government has approved reimbursement of the expense in a particular case.*
- (7) *A local government cannot make any payment to, or reimburse an expense of, a person who is a committee member in that person's capacity as committee member unless the payment or reimbursement is in accordance with this section.*

34ACA. Fees paid and expenses reimbursed to committee members (Act s. 5.100)

- (1) *A meeting of a committee of the council of which the committee member is not a member is a meeting of a prescribed type for the purposes of section 5.100(3).*
- (2) *For the purposes of section 5.100(4)(a), the kinds of expenses that are to be reimbursed by all local governments are childcare and travel costs incurred by a committee member because of their attendance at a meeting of the committee of which they are a member.*
- (3) *For the purposes of section 5.100(4)(b), the kinds of expenses that may be approved by any local government for reimbursement by the local government are —*
 - (a) *an expense incurred by a committee member in performing a function under the express authority of the local government; and*
 - (b) *an expense incurred by a committee member in performing a function in their capacity as a committee member.*
- (4) *For the purposes of Schedule 9.3 clause 62(2) —*
 - (a) *section 5.98(7), as in force immediately before the transitional period, continues to apply in relation to meetings of committees held before or during that period as if the Local Government Amendment Act 2023 section 79(2) had not come into operation; and*
 - (b) *section 5.100(1), as in force immediately before the transitional period, continues to apply in relation to committee meetings held before or during that period as if the Local Government Amendment Act 2023 section 80 had not come into operation; and (c) section 5.100(2), as in force immediately before the transitional period, continues to apply in relation to expenses incurred before or during that period as if the Local Government Amendment Act 2023 section 80 had not come into operation.*
- (5) *In subregulation (4) — transitional period means the period that —*
 - (a) *begins when the Local Government Amendment Act 2023 section 80 comes into operation; and*
 - (b) *ends immediately before the first determination of the Salaries and Allowances Tribunal under the Salaries and Allowances Act 1975 section 7BAA comes into operation or is deemed to have come into operation.*

14.4.1 Sister City Reference Group Proposed Delegations

Executive	Executive Corporate Affairs
Author	Manager Advocacy and Engagement
Attachments	1. Letter received from City of Split 2023 ↓

RECOMMENDATION

That Council:

- (1) AUTHORISES the Mayor and up to three Councillors to participate in a delegation to the City of Split and other Cities in Croatia deemed relevant to the Croatian Folkloric festival arrangements; and
- (2) AUTHORISES the expenditure of up to \$100,000 for airfares and \$14,000 for accommodation costs for up to four elected members travelling business class.

Background

The Sister City Reference Group met on 11 December 2023. An outcome of the meeting was for City officers to progress a proposed Sister City delegation to Croatia.

The timing of the delegation is to align with the Croatian Folkloric group “Zagreb” tour of Croatia culminating in a visit to the City of Split. This arrangement is partially funded by the City of Cockburn through the Sister City Program.

The Mayor received an open invitation from the Mayor of the City of Split to visit Croatia as part of a reciprocal arrangement following the inbound delegation in October 2023.

Report

The City of Cockburn has three Sister-City arrangements approved under the Commonwealth Foreign Arrangements Scheme.

These arrangements are:

- City of Split, Croatia. (Sister). Agreement signed 6 July 1998.
- City of Yueyang, China. (Sister) Agreement signed 25 November 1998.
- City of Mobile, Alabama. USA. (Sister) Agreement signed 28 September 2005.

The City’s Sister City Relationships and Engagement Policy (2.1), states “*the program will allow consider annual delegations... to be reciprocated to/by the partner City in the following financial year or later date. The program will be routinely reviewed as a means of assessing the outcomes of the visits and determining their value for the future.*”

The Sister City travel program has been on hold for several years due to COVID restrictions.

According to City records, the last City of Cockburn outbound delegation to the City of Split occurred in 2008; however, Mayor Logan Howlett made a visitation to the City of Split in May 2023.

The City of Cockburn hosted representatives from the City of Split, Croatia in October 2023 to recognise the 25th anniversary of the agreement.

Coincidentally, the City has provided funding to the Croatian Folkloric group to subsidise the travel costs of Cockburn residents participating in the month-long festival program across Croatia. The funding agreement requires the group to make representations to the City of Split.

This formality is scheduled to occur on 12 July 2024.

Following the receipt of invitations to visit Split, the Sister City reference group determined the City shall progress a delegation proposal to Croatia for Council consideration. This travel is currently unbudgeted and was not part of the program of sister city activities previously tabled at the Sister City reference group meeting.

As per the Sister City Relationships and Engagement Policy (2.3), travel to a Sister City (ie Split, Croatia) is limited to three Councillors and the Mayor, as well as necessary City officers. The selection process for Councillor participation is outlined in section six of the Sister City Relationships and Engagement Policy.

The City is not proposing any officers attend the delegation.

The City, in response to the reference group discussion, is proposing the following itinerary subject to change:

Date	Location	Activities
10 July	Perth to Split	Travel 27 hrs (via London)
11 July	Korcula Island	Joining the City of Fremantle
12 July	Split and surrounds	Sister City welcome reception and hosted visitation
17 July	Split to Perth	Travel 27 hrs (via London and Singapore)

Important dates:

25 June – City of Cockburn FY2024/25 budget strategic briefing

26 June – City of Cockburn Grants and Donations ceremony

2-4 July – ALGA conference (Canberra)

5 July – Australian Council of Local Government Mayors meeting (Canberra)

9 July – City of Cockburn Ordinary Council Meeting

12 July – City of Split Welcome Reception for Zagreb dancers (Cockburn)

12-14 July – ULTRA Europe Music Festival in City of Split.

16 July – City of Cockburn Audit and Risk Committee meeting

26 July – 11 August – Paris Summer Olympics

28 Aug – 8 Sept – Paris Summer Paralympics

Strategic Plans/Policy ImplicationsCommunity, Lifestyle & Security

A vibrant healthy, safe, inclusive and connected community.

- Accessible and inclusive community, recreation and cultural services and facilities that enrich our community.
- A safe and healthy community that is socially connected.

Budget/Financial Implications

The additional expenditure incorporates the proposed expenses of \$114,000 consisting of:

- Elected Member travel in Business Class at \$25,000 each. (four delegates)
- Accommodation at \$500 per person, per night. (four delegates for 7 days).

Legal Implications

Australia's Foreign Relations (State and Territory Arrangements) Act 2020.

Compliance with Foreign Arrangements' Scheme – Meetings with government representatives may require reporting to Department of Foreign Affairs and Trade.

The Minister for Foreign Affairs must be notified of a proposal to negotiate or enter a core or non-core foreign arrangement. (e.g. Friendship or Sister City)

GRAD SPLIT

GRADONAČELNIK

Split, 10th November 2023

Mr. Logan Howlett
Mayor
City of Cockburn
Australia

Dear Mr. Howlett,

I would like to thank you and your administration for the organization of our visit to Australia in October. It was inspirational, very useful and meaningful, and I hope that it will serve as an excellent foundation for further cooperation between the City of Split and City of Cockburn as well as other cities in Western Australia.

Thank you for everything you and your colleagues did in organizing our stay in Australia. Everything was impeccably organized.

I hope we will continue to cooperate in the projects to come. In addition, know you are always welcome in Split. Consider this an open invitation when you decide to come.

I respectfully greet you deeply.

Sincerely yours,

RECOMMENDATION

That Council:

- (1) ADOPTS the Council Policy – Payment to Employees in Addition to Contract or Award.

Background

The *Local Government Act 1995* (s5.50 (1)) requires Council to prepare a Policy detailing any payments made to employees in addition to any contract or applicable award.

This Policy is the only provision that a Local Government has to make any payment to any member of staff that is outside of a contract of employment.

Report

Local Government Act

The purpose of the Council Policy - *Payments to Employees in Addition to Contract or Award* (refer Attachment 6) is to give effect to Section 5.50 of the *Local Government Act (the Act) 1995*.

Section 5.50. Payments to employees in addition to contract or award

- (1) A local government is to prepare a policy in relation to employees whose employment with the local government is finishing, setting out —

(a) the circumstances in which the local government will pay an employee an amount in addition to any amount to which the employee is entitled under a contract of employment or award relating to the employee; and

(b) the manner of assessment of the additional amount.

- (1.1) A local government must not make any payment of the kind described in subsection (1)(a) unless the local government has adopted a policy prepared under subsection (1).
- (2) A local government may make a payment —
 - (a) to an employee whose employment with the local government is finishing; and
 - (b) that is more than the additional amount set out in the policy prepared under subsection (1) and adopted by the local government, but local public notice is to be given in relation to the payment made.
- (3) The value of a payment or payments made to a person under this section is not to exceed such amount as is prescribed or provided for by regulations.
- (4) In this section a reference to a payment to a person includes a reference to the disposition of property in favour of, or the conferral of any other financial benefit on, the person.
- (5) The CEO must publish the policy prepared under subsection (1) and adopted by the local government on the local government's official website.

Timeline

The current Payment to Employees in Addition to Contract or Award Policy was due for review in December 2022.

On 24 October 2022, Cr Stone submitted a matter of urgent business for the Governance Committee, in relation to proposed amendments to the Policy.

A paper was submitted, with comprehensive benchmarking of other Band 1 Local Governments, to the Governance Committee (GovCo) meeting on 27 October 2022 where it was recommended that Council:

- (1) MAKES no changes to the current Council Policy - Payments to Employees in Addition to Contract or Award; and
- (2) REQUESTS a report be presented to the Governance Committee outlining a broader rewards and recognition and retention strategy.

At the Ordinary Council Meeting on 10 November 2022, Council endorsed the GovCo recommendation.

On 23 February 2023, a paper was submitted to the GovCo which detailed a broader reward, recognition, and retention strategy. The Officers recommendation was that GovCo noted the development and commencement of the implementation of the framework.

At the Ordinary Council Meeting on 9 March 2023, Council endorsed the GovCo recommendation.

Since this date, the Policy has not been reviewed. A review of the Policy commenced in November 2023.

Current Policy Provisions

The current Policy is not prescriptive and does not provide for the specific circumstances in which the City will pay an employee an amount in addition to what is entitled under contract of Award. This is a requirement under Section 5.50 (1) (a) of the Act.

Proposed Policy Provisions

Provision has been made in the proposed Policy in relation to the following three items. Making such provision is compliant with the Act.

- Severance pays to terminating employees and the prescribed upper thresholds delegated to the Chief Executive Officer to negotiate to in the instance of:
 - industrial action
 - fitness for work
 - underperformance and/or misconduct
 - where it is not conducive for the organisation and/or Employee to have an ongoing employment relationship
- Settlement of minor industrial relation disputes to an upper threshold
- Recognition of long service employees
- Financial contribution towards a leaving gift (maximum threshold provided) and reasonable function employees in the instance of retirement or resignation.

Strategic Plans/Policy Implications

Listening & Leading

A community focused, sustainable, accountable, and progressive organisation.

- Best practice Governance, partnerships and value for money.
- Employer of choice focusing on equity, innovation and technology.

Budget/Financial Implications

In the instance that Council adopts the Officers recommendation, there will be the following budget implications.

- (1) For payments associated with service recognition for calendar year 2023, the budget implication is \$82,000. This is based on payment of payment of service recognition for 57 employees. These payments would be made upon endorsement of the Policy and there is adequate budget provision within the financial year 2024 annual budget.
- (2) For payments associated with service recognition for calendar year 2024, the budget implication is \$8,700. This is based on payment of service recognition of 37 employees. This payment would be paid in December 2024 and would form the annual budget for financial year 2025.

- (3) For payments associated with settlements there will be a budget allocation required. The budget provision required is unknown each year as such provisions of the Policy would only be utilised in exceptional circumstances and in the best interests of the organisation.
- (4) For payments associated with retirement gifts and functions a budget allocation will be required. Whilst the budget provision required is unknown, funds associated with organisational reward and recognition will be utilised.

Risk Management Implications

The City must have a policy which sets out the circumstances where an employee would be entitled to an amount in addition to their entitlements under the award or contract, and the manner for assessment of the additional amount. Making such payments without an endorsed policy permitting those payments would be a breach of the provisions of the *Local Government Act 1995*.

There is a low risk associated with the recommendation of this report, as the City must have a Payments to Employees in Addition to Contract and Award policy.

Policy Purpose

The purpose of the Policy is to establish a position for the City of Cockburn in relation to

1. Severance pay to terminating employees including amounts as part of a contract of employment, industrial Agreement or as ordered by a Court or Tribunal;
2. Provision of an upper threshold amount that may be payable in response to minor industrial disputes; and
3. The provision of a monetary incentive for the long service of employees.
4. The assessment method of any such additional amounts.

The *Local Government Act 1995* (s5.50 (1)) requires Council to prepare a Policy detailing any payments made to employees in addition to any contract or applicable award.

Policy Statement

Severance pays to terminating employees

Subject to the mutual agreement of both the Chief Executive Officer and an Employee, the City may initiate a settlement process, by way of Employee resignation with a confidential Deed of Settlement, in the following circumstances.

Circumstance	Prescribed Upper Threshold
Where an Employee has or proposes to take action against the City under industrial relation legislation.	Up to a maximum of 52 weeks' pay
Where an Employee is unable to perform the inherent requirements of their role due to illness or injury and there has been a mutual agreement that the employment relationship must cease.	Up to a maximum of 26 weeks' pay
In instances where an ongoing employment relationship has been deemed to not be in the best interests of the organisation and/or the Employee.	Up to a maximum of 16 weeks' pay
Where the City determines an Employee is not meeting the performance expectation for a sustained period and/or demonstrates unreasonable conduct that is not conducive to a continuing working relationship and the City proposes to end the employment relationship by settlement.	Up to a maximum of 12 weeks' pay

Where the settlement payment is based on weekly pay, this is deemed to be the ordinary base rate of pay and excludes overtime, vehicle allowance, other allowances and

superannuation). The prescribed upper threshold is not inclusive of any additional legislative and/or statutory entitlements that may also be payable.

In assessing the amount to be payable, the following will be considered

- The amount recommended by the Court or Tribunal to settle the matter.
- The risk of litigation and the strength of the respective case.
- The cost of legal services for defence.
- Disruptions to operations (including assessing employee engagement and reputational risks).
- The length of service, position held and the personal circumstances of the Employee.

Minor Industrial Disputes

Subject to mutual agreement of both the Chief Executive Officer and an Employee, the City may initiate a settlement process to resolve minor industrial disputes, in instances where a financial settlement is the only option to maintain a conducive working relationship. In these instances, severance of employment by way of resignation is not an option and settlement will mitigate the risk of adverse findings on the organisation.

An upper threshold of up to a maximum of \$10,000 may be payable in these instances and is executed through a confidential Deed of Settlement.

Long Service Employees

Long standing employees who met service recognition milestones prior to 31 December 2023, will receive:

- A certificate acknowledging the length of service.
- A lapel pin depicting the years of service.
- A payment in line with the table below.

Years of Service	Payment amount
10 years service	\$1,000.00
15 years service	\$1,500.00
20 years service	\$2,000.00
25 years service and above	\$2,500.00

Payments will be made through the City's payroll system and will be subject to marginal income taxation rates as prescribed by the Australian Taxation Office.

To recognise long serving Employees, who reach a service milestone detailed below after 1 January 2024, a report will be prepared by the People Experience team listing all Employees who have attained, or will attain, 10, 20, 30 or 40 years of service with the City within that calendar year.

Policy	Payments to Employees in Addition to Contract or Award
Policy Number (Governance Purpose)	

Each Employee listed shall receive

- iv. A certificate acknowledging the length of service.
- v. A lapel pin depicting the years of service.
- vi. A gift voucher to the value of:

Years of Service	Gift Voucher Amount
10 years' service	\$200.00
20 years' service	\$300.00
30 years' service	\$400.00
40 years' service	\$500.00

The gift voucher, pin and certificate will be presented to the Employee at an event that is prescribed within the Reward and Recognition Policy (Administration Policy).

Ceasing Employment

The City of Cockburn will not make payments of gratuities to employees upon retirement or resignation.

In instances where an Employee has at least 10 years continuous service and resigns, the City may make provision to a maximum of \$500 contribution for a leaving gift and meet the cost of an appropriate farewell celebration as determined by the CEO.

Roles and Responsibilities

Council must endorse the provisions within this Policy and delegate authority to approval of such payments, to the prescribed maximum threshold, to the Chief Executive Officer.

The Chief Executive Officer (or nominated proxy) must approve all payments for circumstances covered by this Policy.

The Executive People Experience and Transformation is responsible for the implementation and compliance of this Policy, and in instances where clarification is required or there is a dispute provide interpretation of the provisions contained within this Policy.
