

The Council of the City of Cockburn

Ordinary Council Meeting **Agenda**

Tuesday, 11 February 2025

City of Cockburn
PO Box 1215, Bibra Lake
Western Australia 6965

Cnr Rockingham Road and
Coleville Crescent, Spearwood

Telephone: (08) 9411 3444
Facsimile: (08) 9411 3333

Notice of Meeting

Pursuant to Clause 2.4 of Council's Standing Orders, an Ordinary Meeting of Council has been called for Tuesday 11 February 2025.

The meeting is to be conducted at 7:00 PM in the City of Cockburn Council Chambers, Administration Building, Coleville Crescent, Spearwood.

A handwritten signature in black ink, appearing to read 'D. Simms', is positioned above the name and title of the signatory.

Daniel Simms
Chief Executive Officer

The Ordinary Council Meeting, Tuesday, 11 February 2025

Ordinary Council Meeting, Tuesday, 7pm, 11 February 2025

Agenda

1. Declaration of Meeting

“Kaya, Wanju Whadjuk Boodja” means “Hello, Welcome to Whadjuk Land”.

The Presiding Member will acknowledge the Whadjuk Peoples of the Nyungar Nation, who are the traditional custodians of the land on which the meeting is being held, and pay respect to their Elders both past and present and extend that respect to First Nations Peoples present.

2. Appointment of Presiding Member

3. Disclaimer

Members of the public, who attend Council Meetings, should not act immediately on anything they hear at the Meetings, without first seeking clarification of Council's position.

Persons are advised to wait for written advice from the Council prior to taking action on any matter that they may have before Council.

4. Acknowledgement of Receipt of Written Declarations of Financial Interests and Conflict of Interest (by Presiding Member)

5. Apologies and Leaves of Absence

Apologies

8. Public Question Time

9. Confirmation of Minutes

9.1 Minutes of the Ordinary Council Meeting - 10/12/2024

Recommendation

That Council confirms the Minutes of the Ordinary Council Meeting held on Tuesday, 10 December 2024 as a true and accurate record.

10. Deputations

11. Business Left Over from Previous Meeting (if adjourned)

Nil

12. Declaration by Members who have Not Given Due Consideration to Matters Contained in the Business Paper Presented before the Meeting

13. Decisions Made at Electors Meeting

13.1 Community Consultation/Engagement regarding AUKUS

Executive	Director Planning and Sustainability
Author	Director Planning and Sustainability
Attachments	N/A

RECOMMENDATION

That Council NOTES the City’s report on the Special Electors’ Meeting resolution.

Background

At the Special Electors’ Meeting, held on 19 December 2024, the following Motion was put forward and carried by Electors present:

MOVER: Anthony Certoma
SECONDED: Robyn Walsh
That Council:

- (1) Revokes 2024/MINUTE NO 0081, “(2) SUPPORTS AUKUS and the benefits it brings to Cockburn, including jobs, infrastructure, investment and growth.”;
- (2) Instructs the City to prepare a report considering all the potential risks and benefits that AUKUS may bring;
- (3) Once the report is published, the City will undertake a wide-ranging Community Consultation/Engagement process in order to ascertain the views of its Residents;
- (4) then vote on the support AUKUS Motion giving proper consideration to the Report and Community views.

CARRIED 18/1

Reason

On the 14 May 2024 at an Ordinary Council Meeting, Council unilaterally passed a Motion "Supporting AUKUS" and the "benefits it brings to Cockburn.

There had been no community consultation/engagement on the issue, nor had a detailed report been prepared highlighting the many potential risks as well as the presumed benefits.

There was no proper consideration given. What are the views of the community on this issue? This is a huge issue, and residents deserve the right to lobby, to talk and to advocate prior to a vote of Council.

The Resolution was carried 7/3 indicating dissension amongst the Elected Members on the issue. Given the timelines involved, we have the time to do this in a proper manner, rather than "shooting from the hip".

Submission

N/A

Report

At its Ordinary Meeting of 14 May 2024 Council resolved the following:

That Council:

- (1) APPROVES the recommended changes to the current Economic Development Framework Action Plan as detailed in the report; and
- (2) SUPPORTS AUKUS and the benefits it brings to Cockburn, including jobs, infrastructure, investment, and growth.

The Council resolution was in relation to proposed amendments to the 2022-23 Economic Development Framework Action Plan, which sets in place economic activities and reporting mechanisms covering four economic pillars, to be delivered over a five-year period (to 2027). The City's report sought to amend the four economic pillars to better align with the evolved economic environment and core focus areas of the business communities within the Cockburn.

Pursuant to s.16.3 and 16.4 of the City's *Standing Orders Local Law* 2016 a motion of revocation must be given to the CEO at least 14 days before the meeting and must be signed by at least 1/3 of the Elected Members of the Council.

The Council is not compelled to adopt the motions passed at an Electors Meeting and as such no formal and signed notice to revoke the Council's resolution of 14 May 2024 (Minute No. 0081) has been received.

AUKUS is a trilateral security partnership agreement between Australia, the United Kingdom, and the United States, to develop and provide joint advanced military capabilities to promote security and stability in the Indo-Pacific region.

The WA Government has identified its aim to become the principal location for the maintenance and sustainment of submarines and frigates as its most significant defence industry goal.

In addition to this, growing emphasis on the concept of the Indo-Pacific over the last decade places WA, and therefore the City, in a strong position to become a leader in Australia's defence industry.

Of particular interest to the Cockburn economy is Australia's acquisition of three to five Virginia Class SSN Nuclear powered submarines from the USA, and the construction of eight AUKUS-SSN class submarines in Adelaide. All Australian submarines will continue to be based at HMAS Stirling (Garden Island).

The defence industry is a major component of the Cockburn economy, driven largely by the Australian Marine Complex (AMC), a world-class industrial hub in Henderson.

The City is home to \$15 billion in marine infrastructure and several major businesses in the sector, including defence prime contractors Austal, BAE Systems, Raytheon, Cvmec, and Luerssen Australia.

The AMC is also a critical sustainment hub for the Royal Australian Navy's presence on Garden Island and all out-of-water sustainment activities for the fleet in WA are undertaken at the AMC.

The AMC has also been instrumental in some of the country's largest mining, oil and gas projects and is one of only two locations identified for naval shipbuilding in Australia.

Revenue from the Australian shipbuilding industry is expected to reach \$4.8 billion by 2025 and the Federal Government plans to invest between \$168 and \$183 billion into the National Naval Shipbuilding Enterprise, the largest capital investment ever undertaken in Australia.

Flow-on effects of the significant shipbuilding and submarine sustainment programs based in Henderson will see over 2,000 additional support-industry workers, over 500 US/UK sailors through Submarine Rotational Force West (SuRF) and the Australian Submarine Agency. These employees will bring families and require housing, education, shops, recreation nearby.

Submarine sustainment provides significant and ongoing economic income to the blue economy over the 33-year lifecycle of each AUKUS-SSN submarine. The sustainment investment (\$8 billion) is anticipated to exceed that of submarine construction investment (\$6 billion).

In 2022, the Morrison Federal Government also pledged \$4.3 billion for a new large-vessel dry berth at the AMC.

The current wave of defence investment puts the City in a strong position to place itself as a national leader in marine defence and the Blue Economy.

The planned dry berth is a major opportunity for the City. The only other existing berth of its kind is in Sydney, which was built during the Second World War and requires significant maintenance. The next closest dry berth is in Singapore.

Given the commitments by the Federal and State Government, in particular the projected investments at the AMC, it is prudent that the City advocates its support of AUKUS and the defence sector, in order to ensure that the economic benefits to the City are maximised.

Summary

Only elected members can resolve to revoke a Council resolution, in accordance with the City's *Standing Orders Local Law*, and at this stage no such revocation notice has been provided. As such resolution (1) of the Special Electors' Meeting, held on 19 December 2024, cannot be supported.

The Federal and State Governments are responsible for AUKUS.

They are both currently reviewing the landholdings, operational needs, future infrastructure, and security requirements to achieve required outcomes.

The City's support for AUKUS aligns this work to the opportunities available for the City, its community and stakeholders.

Any assessment of the risks and benefits would need to be fully cognisant that AUKUS will proceed, with or without the City's support.

Strategic Plans/Policy Implications

Local Economy

A sustainable and diverse local economy that attracts increased investment and provides local employment.

Listening and Leading

A community focused, sustainable, accountable, and progressive organisation.

Budget/Financial Implications

Should Council resolve to undertake a risk/benefit analysis on AUKUS on the Cockburn local economy, such a study is currently unfunded. It will require the City to redirect resources from existing projects to undertake such a study.

Legal Implications

Implementing recommendation (1) of the Special Electors' Meeting resolution would be in direct contravention of the City's *Standing Orders Local Law*.

Community Consultation

N/A

Risk Management Implications

The City is legally obligated to follow the rules set out in its own *Standing Orders Local Law*, ignoring those statutory requirements could result in actions being taken against the Council by the Department.

Advice to Proponent(s)/Submitters

The mover and seconder of the Special Electors' Meeting resolution have been advised that this matter is to be considered at the 11 February 2025 Ordinary Council Meeting.

Implications of Section 3.18(3) *Local Government Act 1995*

14 Reports - CEO (and Delegates)

14.1 Planning and Sustainability

14.1.1 Recommendation on Final Adoption - (Standard) Amendment No.181 to Town Planning Scheme No.3 - Partial Rationalisation of Development Area 4 (Beeliar Neighbourhood Centre)

Executive	Director Planning and Sustainability
Author	Senior Strategic Planner
Attachments	1. Advertised Amendment No.181 Report ↓ 2. Schedule of Submission(s) ↓
Location	Yangebup and Beeliar
Owner	Various
Applicant	City of Cockburn
Application Reference	109/181

RECOMMENDATION

That Council:

- (1) SUPPORTS final approval of Scheme Amendment No.181 as advertised (i.e. without modification), for the purpose of:
 - a) Rezoning various lots within Development Area 4' from 'Development' to 'Residential (R60)' and 'Local Centre' as depicted on the Scheme Amendment Map.
 - b) Reclassifying land within 'Development Area 4' from the 'Development' zone to a local reserve for 'Lakes and Drainage', Local Road' or 'Public Purpose – Primary School', as depicted on the Scheme Amendment Map.
 - c) Modifying the Scheme Maps and 'Table 6 – Additional Uses' of the Scheme Text, to remove Additional Use No.9 (AU 9) and its related provisions.
 - d) Reducing the extent of the 'Development Area 4' Special Control Area boundary, as depicted on the Scheme Amendment Map; and
- (2) DELEGATES authorisation and submission of the amendment documentation to the Western Australian Planning Commission along with the request for the endorsement of final approval by the Hon. Minister for Planning.

Background

Initiated by Council at the 10 September 2024 Ordinary Council Meeting, Scheme Amendment 181 (Item 14.1.2) and No.174 (Item 14.1.1) collectively propose to transfer numerous zones and reserves on five completed, and two substantially completed structure plans within Development Area 4, into Town Planning Scheme No.3 (TPS 3).

This process, commonly referred to as Structure Plan 'rationalisation', ensures the City retains appropriate planning mechanisms to guide and control future uses and/or redevelopment of the land (including a similar range of permissible land uses and associated development standards as currently apply), consistent with community expectations.

Scheme Amendment No.181 specifically focusses on land in and around the local centre identified on Structure Plan 4A – Cell 6 (Yangebup/Beeliar), inclusive of the following minor zoning adjustments, that triggered the need for public advertisement:

Address	LSP Land Use Designation	Current TPS Zoning	Proposed TPS Zoning / Reservation
Lot 806 Durnin Avenue, Yangebup	Local Centre	Development Zone	'Lakes and Drainage'
283 Beeliar Drive, Beeliar	Local Centre & Additional Use (Motor Vehicle Wash)	Development Zone	'Local Centre'
7 Durnin Avenue, Beeliar	Local Centre	Development Zone	'Residential (R60)'
Lot 2 (#40) Ivankovich Avenue, Beeliar	N/A	Development Zone	'Public Purpose – Primary School'
1 Lomax Court, Beeliar	Local Centre	Residential (R40) and Additional Use 9	'Residential (R40)'

On 15 October 2024, the Environmental Protection Agency (EPA) determined formal environmental assessment was not required.

On 30 October 2024, the Department of Planning, Lands and Heritage (DPLH) under delegation from the Minister for Planning, approved advertising of the Scheme Amendment.

Status of Scheme Amendment No.174

At the time of writing this report Scheme Amendment No.174 is awaiting final determination by the Minister for Planning.

Report

A copy of the advertised Scheme Amendment, inclusive of the justification for the various zonings and density codings proposed, and consequential partial revocation of the LSP 4A – Cell 6 Structure Plan is attached (refer Attachment 1).

The purpose of this report is to consider any submissions made during the advertising period and to make a recommendation to the Minister for Planning on final determination.

At the end of the advertising period, one (1) submission of 'No Objection' had been received from the Department of Education (refer Attachment 2). Furthermore, nothing has arisen since initiation warranting any form of modification to the proposal prior to final determination.

If approved by the Minister, a consequence of the Amendment is that partial revocation of the Structure Plan 4A – Cell 6 (Yangebup/Beeliar) will occur. This is consistent with Council's initiation of this amendment.

Complete revocation cannot occur until residual portions of the Structure Plan north of Yangebup Road develop, including the construction and ceding of future public assets (such as roads and public open space), as generally depicted on the existing structure plan.

Strategic Plans/Policy Implications

Local Economy

A sustainable and diverse local economy that attracts increased investment and provides local employment.

- A City that is 'easy to do business with'.

Listening and Leading

A community focused, sustainable, accountable, and progressive organisation.

- Best practice Governance, partnerships and value for money.

Budget/Financial Implications

Not applicable – the Scheme Amendment documentation has been prepared, and the proposal will continue to be progressed by the administration under its FY25 budget allocation.

Legal Implications

- *Planning and Development Act 2005*
- *Planning and Development (Local Planning Schemes) Regulations 2015.*

Community Consultation

The proposal was advertised for 42 days, in accordance with Part 5, Division 3, Regulation 47 of the Planning and Development (Local Planning Schemes) Regulations 2015, between 8 November and 20 December 2024.

Advertising consisted of a notice and electronic copies of the documentation being made available on the City's 'Comment on Cockburn' website and letters to directly affected landowners and/or occupiers, and relevant State Government Agencies.

Hard copies of the documentation were also available to view during work hours at the City's Administration Building in Spearwood for the duration of the advertising period.

Risk Management Implications

The officer recommendation considers the relevant planning matters associated with the proposal. It is considered that the officer recommendation is appropriate.

If the Scheme Amendment does not proceed (or is ultimately refused by the Minister for Planning):

- An opportunity will be missed to address existing anomalies (like the drainage basin and primary school), simplify the planning framework and remove an additional layer of planning (i.e. a portion of the Structure Plan) that has largely served its purpose
- The City will need to consider alternatives to ensure an appropriate local planning framework is in place to guide future land use and/or redevelopment proposals in the area ahead of the Structure Plan expiring.

Advice to Proponent(s)/Submitters

Those who lodged a submission on the proposal have been advised that this matter is to be considered at the 11 February 2025 Ordinary Council Meeting.

Implications of Section 3.18(3) *Local Government Act 1995*

Nil

Town Planning Scheme No.3
Amendment No.181
(Standard)

*Partial Rationalisation of Structure Plan 4A
Development Area 4 (Beeliar Neighbourhood Centre)*

SEPTEMBER 2024

Planning and Development Act 2005
RESOLUTION TO AMEND A TOWN PLANNING SCHEME

City of Cockburn
Town Planning Scheme No.3
Amendment No.181

RESOLVED that the Council, in pursuance of Section 75 of the *Planning and Development Act 2005*, amend the City of Cockburn Town Planning Scheme No.3 by:

1. Rezoning various lots within 'Development Area 4' from 'Development' to 'Residential (R60)' and/or 'Local Centre', as depicted on the Scheme Amendment Map.
2. Reclassifying land within 'Development Area 4' from the 'Development' zone to a local reserve for 'Lakes and Drainage', 'Local Road' or 'Public Purpose – Primary School', as depicted on the Scheme Amendment Map.
3. Modifying the Scheme Maps and 'Table 6 – Additional Uses' of the Scheme Text, to remove Additional Use No.9 (AU 9) and its related provisions.
4. Reducing the extent of the 'Development Area 4' special control area boundary, as depicted on the Scheme Amendment Map.

The Amendment is 'standard' under the provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015* for the following reason(s):

- *It is an amendment to the scheme map that is consistent with a structure plan or local development plan that has been approved under the scheme for the land to which the amendment relates if the scheme does not currently include zones of all the types that are outlined in the plan;*
- *It is an amendment that would have minimal impact on land in the scheme area that is not subject of the amendment; and*
- *It is an amendment that does not result in any significant environmental, social, economic or governance impacts on land in the scheme area.*

Pursuant to Regulation 35A of the *Planning and Development (Local Planning Schemes) Regulations 2015*, the amendment to the above Local Planning Scheme affects the following structure plan(s):

Structure Plan #	Address	Latest WAPC Endorsement	WAPC Reference
4A	Cell 6 Beeliar/Yangebup	15 March 2005	801/2/23/0005P 3V

Upon the amendment taking effect, 'partial' revocation of the above approved structure plan is to occur.

Dated this 10th day of September 2024..

CHIEF EXECUTIVE OFFICER

AMENDMENT REPORT

1.0 INTRODUCTION

Local Structure Plan No.4A (Cell 6 – Yangebup/Beeliar) has been largely implemented, with isolated pockets of undeveloped land.

The purpose of this 'standard' scheme amendment is to transfer the zones and reserves shown on this structure plan (focussing on the Beeliar Neighbourhood Centre) into Town Planning Scheme No.3 (TPS3), to ensure the City maintains appropriate development control ahead of the structure plan expiring on (or after) 19 October 2025.

This process is referred to as the partial rationalisation of a structure plan.

In addition, this proposal includes transferring the constructed South Coogee Primary School from the Development zone to a local "Public Purpose – Primary School" reservation, reflective of its current use and tenure.

2.0 BACKGROUND

The area encompassing Development Area 4 (DA4) has formed the subject of several amendments over the past 30 years, including three separate Metropolitan Region Scheme (MRS) amendments between 1993 and 1996 that collectively transferred the land from 'Rural' and 'Urban Deferred' into the 'Urban' zone.

In response to the MRS amendments, the City's former District Zoning Scheme No.2 was also amended several times, to establish the DA4 special control area and transfer land within it from 'Rural' to 'Residential (R20 or R40)', the 'Commercial' zone, or a local 'Public Purpose' reservation.

Upon the 2002 gazettal of Town Planning Scheme No.3 (TPS3) the boundary of DA4 remained unchanged, however most of the undeveloped land within it was transferred into the newly created 'Development' zone.

As detailed in the following table, DA4 currently includes 11 operative structure plans, of which only one is partially affected by this proposal:

Structure Plan #	Address	Latest Approval (& Expiration Dates)	Proposed Action
4A	Cell 6 – Yangebup / Beeliar	WAPC Mods: 18/7/2022 (Expires: 19/10/2025)	Partially Included in this Amendment <i>(Balance to be Extended)</i>
4B	Cell 9 (Yangebup) & Cell 10 (Beeliar)	WAPC Mods: 19/1/2018 (Expires: 19/10/2025)	Partially included within Basic Amendment <i>(Balance to be Extended)</i>

4C	Lots 1001 & 83 Watson Road and 82 View Street, Beeliar	WAPC: 21/3/2012 (Expires: 19/10/2025)	Extension Request being sought
4D	Lot 74 Howe Street, Beeliar	Council Approval Only: 11/2/2010 (Expires: 19/10/2025)	Included in Basic Amendment
4E	Lots 1-5, 91, 500-501 Howe Street, Beeliar	Council Approval Only: 10/6/2010 (Expires: 19/10/2025)	Included in Basic Amendment
4F	Lot 94 Watson Road, Beeliar	WAPC: 21/7/2014 (Expires: 19/10/2025)	Included in Basic Amendment
4G	Lot 95 Watson Road, Beeliar	WAPC: 15/3/2016 (Expires: 15/3/2026)	Extension Request being sought
4H	Lots 75-81 Prizmic Street & 84-90 Watson Road, Beeliar	WAPC: 28/7/2017 (Expires: 28/7/2027)	No Current Action (valid until 2027)
4I	Lots 97-102 Watson Road, Beeliar	WAPC Mods: 13/10/2022 (Expires: 20/2/2028)	Included in Basic Amendment
4J	Lot 81 McLaren Avenue, Beeliar	WAPC: 11/6/2018 (Expires: 11/6/2028)	Included in Basic Amendment
4K	Lots 7, 65-67 View Street, Beeliar	WAPC: 3/10/2019 (Expires: 3/10/2029)	No Current Action (valid until 2029)

As noted, rationalisation of some of these structure plans forms the subject of an associated 'basic' Scheme Amendment (#174).

This proposal principally seeks to rationalise land within Structure Plan 4A in and around the Beeliar Neighbourhood Centre, including land that couldn't be included in that 'basic' amendment due to a desire to vary from the approved Structure Plan, and use zonings that better match the development that has subsequently occurred.

Complimentary, minor adjustments to the zoning of other land within the DA 4 area is also proposed, as discussed in the following sections.

The extent of DA4 (thick black dashed line), the various structure plans (red solid line) and the boundaries of the two complimentary scheme amendment proposals (yellow dashed line), are depicted on **Figures 1 and 2**.

As the balance of 4A and Structure Plans, C, G, H and K are either yet to commence or are still undergoing further subdivision and development, they are not being rationalised under either Scheme Amendment proposal. Instead, they will retain their existing 'Development' zoning and may form the subject of future structure plan extension requests.

Many of the structure plans include Local Development Plans (LDPs). This scheme amendment has no effect on the operation of those instruments which will remain in effect until they expire on (or after) 19 October 2025.

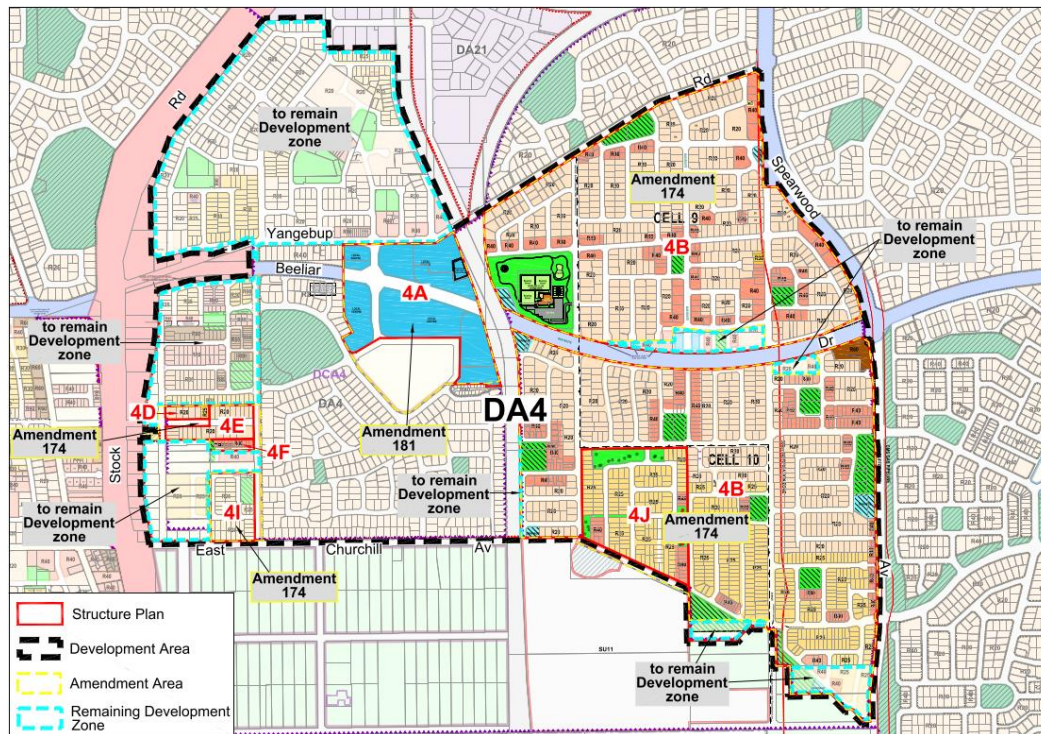

Figure 1 – DA4, Amendment Extent and Development Zone extent

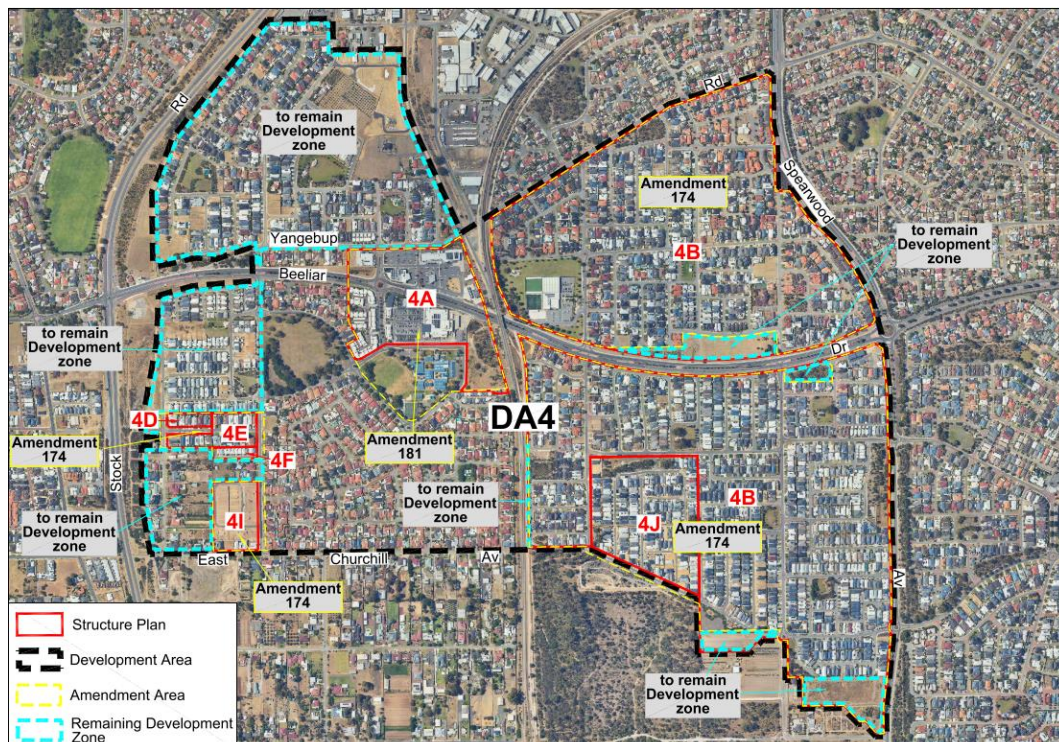

Figure 2 – Aerial Photograph showing extent of Completed Subdivision and Development

3.0 AMENDMENT TYPE

Part 5, Division 1, Regulation 34 of the *Planning and Development (Local Planning Schemes) Regulations 2015*, identifies different amendment types: basic, standard and complex.

Regulation 35(2) requires the local government to specify in their resolutions to prepare or adopt an amendment what type of amendment it is, as well as the explanation for forming that opinion.

This amendment is considered a 'standard' amendment, which Regulation 34 describes as any of the following amendments to a local planning scheme:

- a) *an amendment relating to a zone or reserve that is consistent with the objectives identified in the scheme for that zone or reserve;*
- b) *an amendment that it is consistent with a local planning strategy for the scheme that has been endorsed by the Commission;*
- c) *an amendment to the scheme so that it is consistent with a region planning scheme that applies to the scheme area, other than an amendment that is a basic amendment;*
- ca) *an amendment to the scheme to –*
 - i) *include a provision in the scheme that a specified planning code is to be read as part of the scheme; or*
 - ii) *provide for the modification of a planning code that is to be read as part of the scheme;*
- d) *an amendment to the scheme map that is consistent with a structure plan or local development plan that has been approved under the scheme for the land to which the amendment relates if the scheme does not currently include zones of all the types that area outlined in the plan;*
- e) *an amendment that would have minimal impact on land in the scheme area that is not the subject of the amendment;*
- f) *an amendment that does not result in any significant environmental, social, economic or governance impacts on land in the scheme area;*
- g) *any other amendment that is not a complex or basic amendment.*

This proposed amendment satisfies *parts (d), (e) and (f)* of the above criteria.

Specifically, it is an amendment to the local planning scheme map that involves zoning land consistent with the intent and subsequent built form outcomes of the approved structure plan for the same land, in a manner that does not have any significant environmental, social, economic or governance impact on surrounding land.

4.0 TOWN PLANNING CONTEXT

4.1 State Planning Framework

The majority of DA4 is identified in the *South Metropolitan Peel Sub-Regional Planning Framework* and zoned ‘Urban’ under the Metropolitan Region Scheme (MRS) and is intersected by two important regional transport corridors.

Beeliar Drive is identified and reserved as an existing ‘Other Regional Road’, whilst the ARC operated, Cockburn South freight railway line is identified and reserved for ‘Railways’.

Small slivers of DA4 also extend within the Kwinana Air Quality Buffer which is identified in the sub-regional framework and zoned ‘Rural’ in the MRS, although the structure plans for these areas limit their use to public reserves such as drainage and/or public open space (POS).

This proposal is specifically restricted to the Urban zoned portion of DA4.

4.2 City of Cockburn Local Planning Framework

Under TPS3, the affected land is primarily zoned ‘Development’ and identified on the Scheme Map and in Table 9 of the Scheme Text as ‘Development Area 4’.

The purpose of the ‘Development’ zone is to trigger the requirement for a Structure Plan to guide further subdivision and/or development.

Table 9 allows specific ‘provisions’ to then be applied to defined Development Areas, to inform the subsequent structure planning, subdivision and development processes. For DA4, it includes the following:

TABLE 9 – DEVELOPMENT AREAS		
REF. NO.	AREA	PROVISIONS
DA 4	Yangebup (Development Zone)	1. An approved Structure Plan together with all approved amendments shall be given due regard in the assessment of applications for subdivision and development in accordance with clause 27(1) of the Deemed Provisions.

The balance of the land affected (the Grouped Housing development at #1 Lomar Court), is zoned ‘Residential (R40)’. It is also identified on the Scheme Map and in Table 6 of the Scheme Text as Additional Use site No.9 (AU9).

Despite anything contained in the Zoning Table of TPS3, Table 6 can be used to allow the consideration of specific additional uses on specified land, where necessary, subject to specific terms or conditions. For AU9, it includes the following:

TABLE 6 – ADDITIONAL USES			
No.	Description of Land	Additional Use	Conditions
AU 9	Lot 618 on Plan 23619 Lomax Court, Beeliar <i>(now #1 Lomar Court / Survey-Strata Plan 61588 on Lot 800 on DP 60800)</i>	1. Additional Uses Aged or Dependent Persons Dwelling (P) Civic Building (P) Grouped Dwelling (P) Home Occupation (P) Multiple Dwelling (P) Consulting Rooms (P) Child Care Centre (P) Health Studio (P) Medical Centre (P) Museum (P) Office (P) Restaurant (P) Education Establishment (AA) Place of Public Worship (AA) 2. Design Requirements Building Location: The buildings shall have a maximum front setback to “main street” of 3.0 metres. Nil side setbacks are permitted. Building Frontage: Buildings shall have frontage to the “main street”, with windows/doors comprising not less than 50% of the façade. Building Form: Buildings shall have pitched roofs of not less than 26 degrees. Carparking: No parking will be allowed in front of the building. Council will consider reciprocal parking arrangements with other “main street” developments. Service Areas: All service areas are to be concealed from public view and accessed from the rear lane. Vehicle Access: Vehicle access shall be from the rear lane, only crossovers indicated on the plan will be permitted on “main street”. Pedestrian Amenity: Buildings shall provide weather protection with verahdahs, awnings or colonnades at entries.	Planning Approval

This land also forms the subject of Development Contribution Area 4 and 13 (DCA4 – Yangebup West and DCA 13 – Community Infrastructure) under TPS3. This amendment has no impact on the operation of those DCA's.

5.0 PROPOSAL

Subdivision and development of substantive portions of DA4 are now complete, meaning that many structure plans in this area have served their purpose and are no longer required.

In concert with Scheme Amendment #174, this amendment seeks to remove these areas from DA4 and transfer the structure plan identified zonings and reservations for the land into the Scheme, ahead of the structure plans expiring on (or shortly after) 19 October 2025.

Development Area 4:

As there remain portions of DA4 yet to be structure planned, or that involve structure plans in various stages of implementation, deletion of DA4 and its special provisions is not proposed at this time, rather just a further reduction to the extent of the special control area boundary to reflect the outcome of this proposal. A more significant refinement is proposed via Scheme Amendment #174.

Additional Use 9:

As the entirety of Lot 618 (now Lot 900) Lomax Court has now been developed for Residential (grouped housing) purposes, generally in accordance with the listed design criteria, the additional use rights are no longer required or appropriate and are therefore proposed to be removed.

Local Structure Plans (LSP):

Details of Structure Plan 4A (include the LSP map and a recent aerial of the area are provided in this section to demonstrate the reasoning for rationalisation. This includes discussion on the matters that led to these areas being separated out from Scheme Amendment #174.

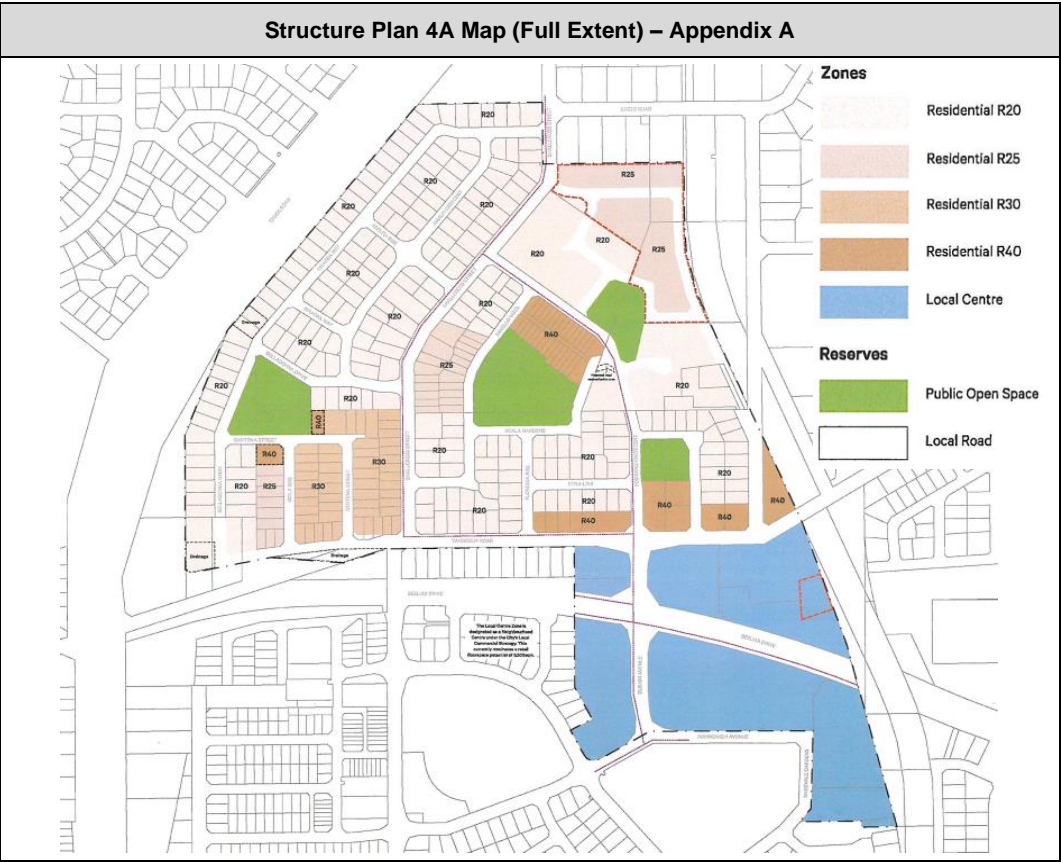

Cell 6 Beeliar / Yangebup – (4A)

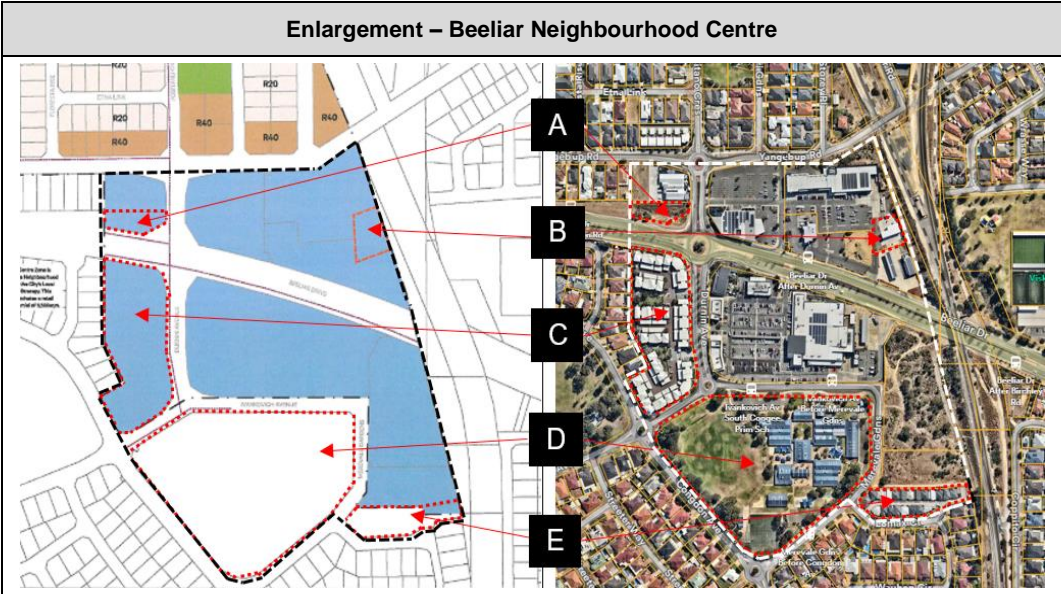

Bounded by Stock Road to the west, the light industrial frame of the Bibra Lake Industrial area to the north, the existing freight railway line to the east, and Congdon Avenue, Merevale Gardens and Lomax Court to the south, this Structure Plan identifies a comprehensive network of local roads and POS, servicing primarily low (R20-R30) residential density housing.

Pockets of higher density (R40) housing are located in higher-amenity locations that have a direct relationship to POS or close proximity to the established services located within the Neighbourhood Centre that straddles Beeliar Drive.

This proposal focuses on rationalising land in and around the established activity centre. Most of the land is proposed to be zoned ‘Local Centre’ consistent with its WAPC Approved Structure Plan designation (which includes both Local and Neighbourhood Centres as defined by the City’s Commercial Strategy). The exceptions that have triggered the need to advertise and separately consider via the ‘standard’ scheme amendment stream, are discussed in the following table.

A full copy of the approved Structure Plan Map, relevant Deposited Plans and Development Approvals are attached as **Appendices A-D**.

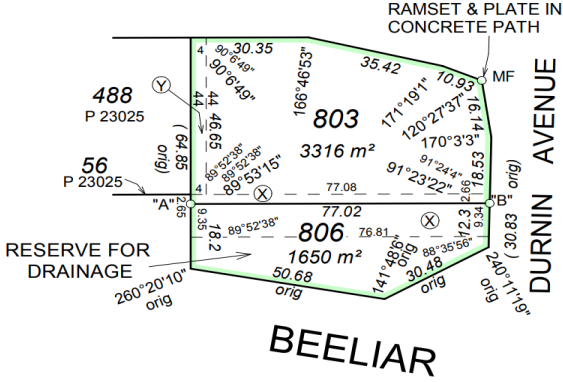

AREA 'A'

Property Address:	Lot 806 Durnin Avenue, Yangebup
Structure Plan Land Use Designation:	Local Centre
Current TPS zoning:	Development
Proposed TPS 3:	Local Reserve – 'Lakes and Drainage'

Reasoning:

To reflect WAPC approved subdivision #151639, the resultant City ownership and its substantial use as a 'Drainage' reserve (refer **Appendix B**, relevant extract below):

AREA 'B'		
	Property Address:	283 Beeliar Drive, Beeliar
	Structure Plan Land Use Designation:	Local Centre & Additional Use (Motor Vehicle Wash – 'D')
	Current TPS zoning:	Development
	Proposed TPS 3:	'Local Centre' (only)
Reasoning:		
<p>Amendment #6 to Structure Plan 4A introduced Additional Use rights to a then vacant portion of 283 Beeliar Drive in July 2022, specifically to accommodate a Motor Vehicle Wash proposal that has subsequently been approved and constructed on-site.</p> <p>In recognition that this land use might be appropriate in similar zones, in December 2022 Council initiated Scheme Amendment #157 to make the use 'A' (discretionary, following a period of public advertisement), and to update its Local Planning Policy (LPP3.4 – Service Stations and Motor Vehicle Wash Facilities) to help guide the future layout and determination of appropriate sites.</p> <p>Amendment #157 was gazetted in October 2023, with the updated LPP taking affect shortly after.</p> <p>Whilst the default 'A' permissibility in TPS3 is slightly more onerous than its 'D' designation under Structure Plan 4A (which doesn't automatically trigger public advertisement), in practice this will have no impact on this specific site by virtue of its existing Development Approval (DA22/0476).</p>		
AREA 'C'		
	Property Address:	7 Durnin Avenue, Beeliar
	Structure Plan Land Use Designation:	Local Centre
	Current TPS zoning:	Development
	Proposed TPS 3:	'Residential (R60)'

Reasoning:

In December 2013, the Metro South-West Joint Development Assessment Panel approved development of 7 Durnin Avenue for 100 Multiple Dwellings (DAP13/010 – refer key extracts below and **Appendix C**).

Acknowledging their proximity to on-street carparking and those ground floor dwellings being accessible from the street, Condition 30 of that approval permits the ground floor dwellings facing Durnin Avenue to be utilised for 'Office' without requiring a 'change of use' development application.

Insertion of more intensive commercial uses is unlikely to be appropriate and largely compromised by the use of 2.65m floor to ceiling heights for the ground floor units, below the 3.3m minimum suggested in *State Planning Policy 7.3 – Residential Design Codes – Vol 2* to accommodate the services necessary to support retail/commercial ground floor uses of Mixed Use buildings.

The objective of a 'Local Centre' zone in TPS3 is:

'To provide for convenience retailing, local offices, health, welfare and community facilities which serve the local community, consistent with the local – serving role of the centre'.

The developed outcome for this site is more consistent with the objective of the 'Residential' zone in TPS3, which is:

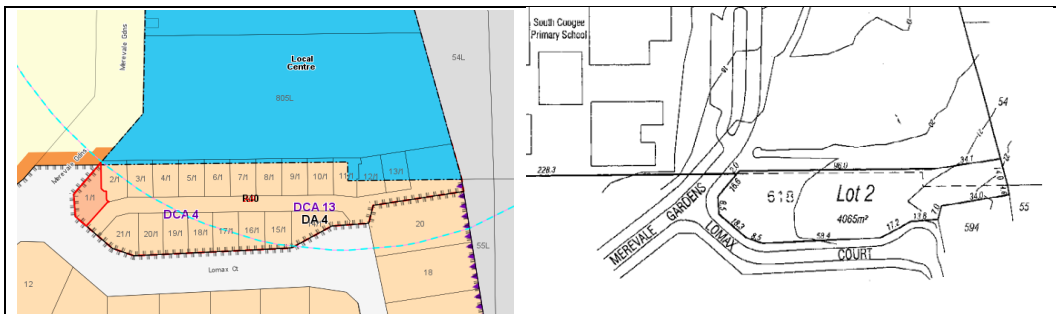

- *To provide for a range of housing and a choice of residential densities to meet the needs of the community.*
- *To facilitate and encourage high quality design, built form and streetscapes throughout residential areas.*
- *To provide for a range of non-residential uses, which are compatible with and complementary to residential development.*

An 'R60' density coding is proposed on the basis it matches the development approval, determined in accordance with *clause 4.8.3 b)* of TPS3, which in the absence of a prescribed R-Code outside the Residential or Regional Centre Zones, requires residential development to be in accordance with the R60 code.

A further benefit of this outcome is that it will also help to focus commercial activities within the core of the neighbourhood centre (east of Durnin Avenue).

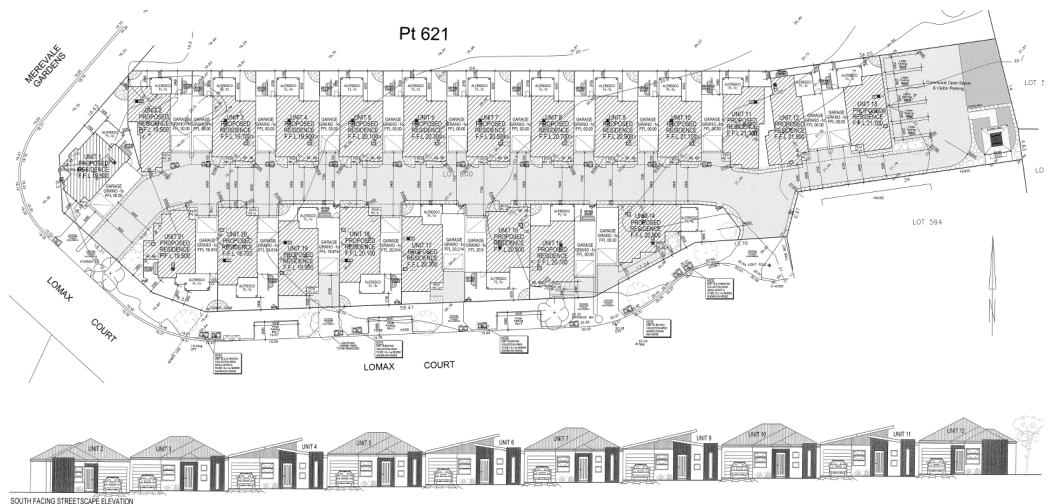

AREA 'D'		
	Property Address:	Lot 2 (#40) Ivankovich Avenue, Beeliar
	Structure Plan Land Use Designation:	N/A
	Current TPS zoning:	Development
	Proposed TPS 3:	'Public Purpose – Primary School'
Reasoning:		
<p>Portions of Lot 2 (#40) Ivankovich Avenue, Beeliar were previously reserved 'Public Purpose – Primary School' under DZS2. Upon gazettal of TPS3, the land was transferred to the 'Development' zone and included within Development Area 4.</p> <p>In line with the flexibility afforded by this zoning, the shape of the school site was subsequently adjusted by the Department of Education ahead of its 2002/03 construction. Whilst structure plans have subsequently been prepared and approved around the site, none have been prepared over it, nor is there any purpose in still requiring one to be prepared.</p> <p>Reserving the land 'Public Purpose – Primary School' would better reflect its developed purpose and ongoing use as South Coogee Primary School.</p>		
AREA 'E'		
	Property Address:	Lot 800 Lomax Court, Beeliar
	Structure Plan Land Use Designation:	Local Centre (partially only)
	Current TPS zoning:	Residential (R40) & Additional Use 9
	Proposed TPS 3:	'Residential (R40)'
Reasoning:		
<p><u>Zoning Boundary Adjustment</u></p> <p>Lot 800 Lomax Court, Beeliar is primarily zoned 'Residential (R40)' in TPS3, with small portions along its northern boundary and covering its northeast corner of the site zoned 'Development' in TPS3 and identified as 'Local Centre' within Structure Plan 4A.</p> <p>This unusual situation is the result of a boundary realignment which determined the current extent of Lot 800 Lomax Court and Lot 805 Merevale Gardens (WAPC Ref. #135270). The dashed line on the image below, best shows the previous lot boundary (that matches the current TPS3 zonings):</p>		

Given Lot 800 has subsequently been developed entirely for residential purposes, adjusting the TPS3 zonings (and residential density coding) to match the current cadastral boundaries is proposed by removing its partial 'Local Centre' zoning.

Removal of Additional Use 9

In 2010 the City issued Development Approval for 21 Grouped Dwellings (Single Bedroom Dwellings) on Lot 800 (DA10/0806 – refer key extracts below and at **Appendix D**). WAPC Approval was subsequently obtained to subdivide the land into 21 survey-strata lots in the same shape and size as the approved development (WAPC Ref. #17-12).

In the context of what has been constructed and how the land is now used, the wider range of commercial uses currently allowed by its Additional Use designation are no longer appropriate. Furthermore, the Design Requirements (which principally focus on commercial forms of development), are no longer applicable, with any future extension or redevelopment more comprehensively addressed via application of the Residential Design Codes.

On this basis it is proposed that Additional Use 9 be removed from TPS3 in its entirety. Of note, this outcome is consistent with its new draft scheme (Local Planning Scheme #13) adopted by Council for the purposes of seeking WAPC consent to advertise at the April 2024 OCM.

The remaining landholdings the subject of this amendment are proposed to be rationalised into TPS 3 directly in accordance with its Structure Plan 4A 'Local Centre' designation.

6.0 CONCLUSION

For the following key reasons, now is an appropriate time for the structure plan to be partially revoked and its zones and reserves rationalised into the Scheme:

- All public reserves have been suitably constructed/embellished and transferred into public ownership; and
- all zoned land on the endorsed structure plans have been substantially subdivided and/or developed for private commercial and/or residential purposes.

Recognising these zones and reserves within TPS 3 will:

- avoid the future need to seek WAPC approval to extend the approval period of the existing structure plans; and
- remove a redundant layer of planning control whilst still ensuring the City maintains appropriate mechanisms to guide and control future redevelopment of the land (including the same range of permissible land uses and associated development standards as currently apply), consistent with current community expectations.

The other changes proposed reflect good contemporary planning practice and do not pose a significant adverse impact on surrounding development.

Planning and Development Act 2005

City of Cockburn Town Planning Scheme No.3 Amendment No.181

RESOLVED that the Council, in pursuance of Section 75 of the *Planning and Development Act 2005*, amend the City of Cockburn Town Planning Scheme No.3 by:

1. Rezoning various lots within 'Development Area 4' from 'Development' to 'Residential (R60)' and 'Local Centre' as depicted on the Scheme Amendment Map.
2. Reclassifying land within 'Development Area 4' from the 'Development' zone to a local reserve for 'Lakes and Drainage', 'Local Road' or 'Public Purpose – Primary School', as depicted on the Scheme Amendment Map.
3. Modifying the Scheme Maps and 'Table 6 – Additional Uses' of the Scheme Text, to remove Additional Use No.9 (AU 9) and its related provisions.
4. Reducing the extent of the 'Development Area 4' special control area boundary, as depicted on the Scheme Amendment Map.

The Amendment is 'standard' under the provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015* for the following reason(s):

- *It is an amendment to the scheme map that is consistent with a structure plan or local development plan that has been approved under the scheme for the land to which the amendment relates if the scheme does not currently include zones of all the types that are outlined in the plan;*
- *It is an amendment that would have minimal impact on land in the scheme area that is not subject of the amendment; and*
- *It is an amendment that does not result in any significant environmental, social, economic or governance impacts on land in the scheme area.*

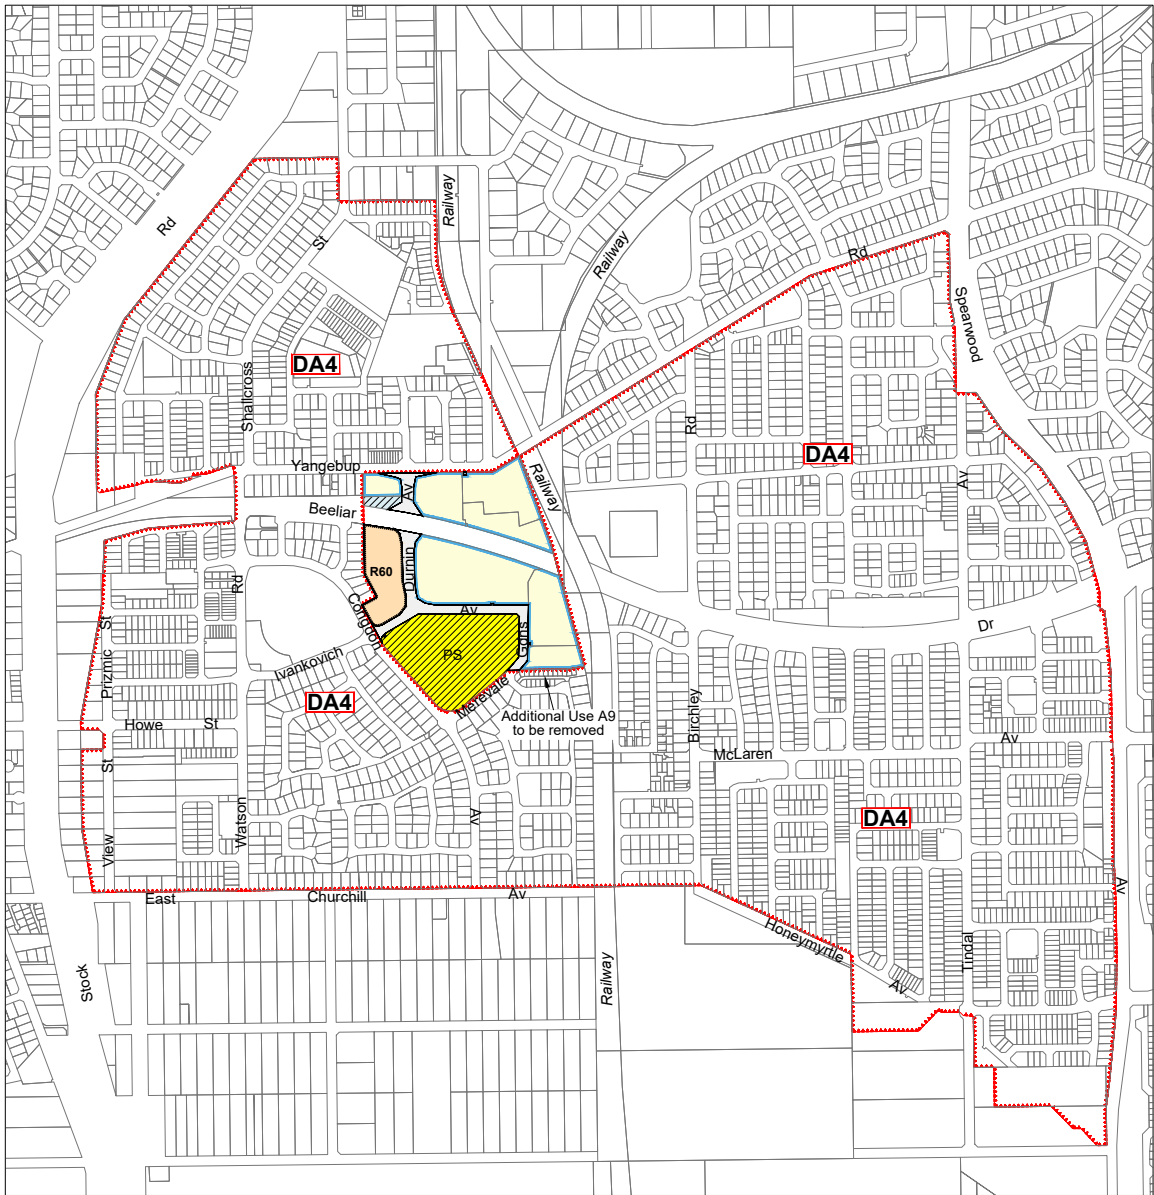

Pursuant to Regulation 35A of the *Planning and Development (Local Planning Schemes) Regulations 2015*, the amendment to the above Local Planning Scheme affects the following structure plan(s):

Structure Plan #	Address	Latest WAPC Endorsement	WAPC Reference
4A	Cell 6 Beeliar/Yangebup	15 March 2005	801/2/23/0005P 3V

Upon the amendment taking effect 'partial' revocation of the above approved structure plan is to occur.

Amendment 181 to TPS No.3 – Partial Rationalisation of DA4 Yangebup

No.	Name/Address	Submission	Recommendation
1	Dept of Education East Perth WA 6004	NO OBJECTION: The Department has no in principle objections to the proposed rationalisation of South Coogee Primary School site.	1. Noted.

14.1.2 Design Review Panel (DRP) - Appointment of Members for 10 March 2025 to 12 March 2027 Term

Executive	Director Planning and Sustainability
Author	Coordinator Development Services
Attachments	1. Confidential Attachment - Recommended Design Review Panel Appointees (Confidential)

RECOMMENDATION

That Council:

- (1) In accordance with Schedule 'A' – supplemental provisions to the Deemed Provisions of Town Planning Scheme No. 3 – 80B “Advisory Committees”, APPOINTS two (2) ‘Advisory Committees’ to comprise the City of Cockburn ‘Design Review Panel(s)’, with a total of eight (8) members;
- (2) APPOINTS one (1) Chair of the City of Cockburn Design Review Panel in accordance with the person identified as the City of Cockburn Design Review Panel Chair under the attached Confidential Item for a two-year term concluding on 12 March 2027;
- (3) APPOINTS one (1) Deputy Chair of the City of Cockburn Design Review Panel in accordance with the person identified as the City of Cockburn Design Review Panel Chair under the attached Confidential Item for a two-year term concluding on 12 March 2027;
- (4) APPOINTS a total of six (6) additional members in accordance with the persons identified as Design Review Panel Members under the attached Confidential Item (refer Confidential Attachment 1) as the members of the City of Cockburn Design Review Panel(s) for a two-year term concluding on 12 March 2027; and
- (5) DIRECTS officers to formally, and individually, advise those who applied of Councils decision, and publish this on the City’s website.

Background

At the 14 April 2016 Ordinary Council Meeting, Council resolved to establish a Design Review Panel (DRP) in accordance with the provisions of Town Planning Scheme No. 3 (TPS 3) for the purposes of providing independent expert design review advice for complex planning proposals.

Since its establishment, there have been three DRP terms with the current term set to end on 10 March 2025.

On 11 February 2021, Council resolved to reappoint the City’s then Chair and remaining DRP members, with a total of six (6) members.

Council also resolved to establish two (2) advisory panels to allow appointment of a total of six (6) members. This is because each panel is only permitted up to five (5) members, in accordance with *Schedule A (Clause 80B)* of TPS3.

At the 9 February 2023 Ordinary Council Meeting, Council resolved to increase membership to a total of eight (8), four in each panel, to ensure availability of professionals.

At times members may not be available to attend the DRP, therefore an additional two (2) members may address this shortfall. City officers can then draw from two (2) panels of eight (8) members and ensure a quicker confirmation of the meeting date with applicants.

With the current term ending, the City invited Expressions of Interest (EOI) from the public, including key technical experts, to be part of the City's DRP in late 2024.

The EOI was published on the City's website and *LinkedIn*, for a period of seven weeks.

This report provides a formal record of the EOI process, which concluded on 13 January 2025, in addition to the City's recommendations to Council for the 2025 to 2027 DRP term.

Submission

A summary of the recommended appointees who submitted an EOI is provided in Confidential Attachment 1.

Report

Why have a DRP?

Integrating design review into the planning system is a key component of the implementation and operation of State Planning Policy 7.0 Design of the Built Environment (SPP 7.0).

The *Department of Planning, Lands and Heritage Office of Government Architecture 'Design Review Guide'* provides guidance for local governments to set up and operate design review processes.

The guide elaborates on the benefits of good design are multiple and varied. Put succinctly, some of these benefits include: positive impact on local communities, generates significant economic and social value, positive impacts in the areas of crime prevention, wellbeing, patient recovery, education outcomes and business productivity.

Our DRP has proven to date to be of significant benefit to developers and the community and has helped City officers negotiate win/win good design outcomes.

Engaging in design review improves the design quality of projects and can speed up the planning process, leading to quicker delivery of high-quality buildings and places.

Who can be a Panel Member?

The DPLH Design Review Guide for local governments to set up and operate design review processes specifies:

“To be independent and apolitical, the local government should not appoint decision-makers, its own elected members or officers to its Design Review Panel. However, key local government planning (and other) officers should participate in all design reviews in an advisory capacity and to provide administrative and governance support.”

For design review to be effective, it must be resourced appropriately and conducted in a manner that is fair, robust, and credible.

There are 10 ‘best practice’ principles of design review.

With regard to the above heading, a Design Review Panel should be:

- [Expert]: Carried out by suitably trained people who are experienced in design and know how to critique constructively.
- [Multi-disciplinary]: An Independent DRP combines the different perspectives of architects, urban designers, planners, landscape architects, engineers and other specialist experts to provide a complete, rounded assessment.
- [Advisory]: The DRP does not make decisions but offers impartial advice that informs recommendations to the people who do.
- [Accessible]: Recommendations arising from the DRP are clearly expressed in terms that design teams, decision-makers and the public can all understand and make use of.

In addition, the City’s Design Review Panel Local Planning Policy 5.16 (LPP 5.16) specifies:

“A person who is currently employed by the City of Cockburn or who is an Elected Member of the Cockburn Council is not eligible for appointment as a member of the Panel.”

What qualifications, experience and skillset are the City looking for from the 2025–2027 Design Review Panel?

As discussed, an Independent DRP combines different perspectives from architects, urban designers, planners, landscape architects, engineers, and other specialist experts to provide a complete, rounded assessment.

The City is looking for suitable candidates who ideally have multiple areas of qualifications as listed above (i.e.: an architect who is also an urban designer and/or landscape architect etc.).

In addition to qualifications, candidates should ideally have relevant experience on other DRPs (whether nationally or internationally).

This would ideally place the DRP members in a position where they are suitably qualified, experienced and skilled at the DRP process.

Good design is a key driving objective of the City as described earlier in this report.

Having a suitably qualified, experienced, and skilled independent panel that complement each other is the driving objective in seeking to select the 2025–2027 DRP.

What are the qualifications and professional experiences of the recommended Expression of Interest candidates?

The recommended DRP for 2025–2027, as identified in the Confidential Attachment, have the following combined experience, including but not limited to:

- Office of the Government Architect
- Design Advisory Committees for various universities
- Local Government Design Review Panels across Perth including: City of Fremantle, City of Vincent, Town of Mosman Park, City of Wanneroo, City of Joondalup, City of Subiaco, City of Victoria Park, City of Kalamunda, City of Bayswater, City of Stirling, City of South Perth, City of Nedlands, City of Swan, City of Melville.
- State Government Design Review Panels including Development WA, the former Metropolitan Redevelopment Authority
- Joint Development Assessment Panel.

The following combined qualifications, including but not limited to:

- Urban Planning
- Urban Design
- Landscape Architecture
- Architecture.

The DPLH *Design Review Guide* for local governments to set up and operate a design review process specifies that local governments should ensure their DRP has a range of design and built environment expertise in one or more of the following disciplines:

- Architecture (essential)
- Landscape Architecture (essential)
- Urban Design (essential)
- Heritage
- Sustainability and Environmental Design
- Services Engineering
- Accessibility
- Transport Planning
- Planning
- Public Art
- Civil and/or Structural engineering.

The guide suggests all DRP members should be eligible for registration and maintain good standing with their respective professional bodies.

The proposed DRP meet this objective with the recommended panel members having good standing with their respective professional bodies.

Additionally, the proposed DRP have a range of design and built environment expertise including the essential and additional above-mentioned disciplines.

What processes did the City use to shortlist and recommend Design Review Panel Expressions of Interest to Council?

The City undertook a multiple-criteria analysis evaluation process to appraise the EOI and to make an informed recommendation to Council.

The scores were tallied under the analysis which was used to inform the City's recommendation.

The recommendation is based on an evaluation of, but not limited to: qualifications, previous panel experience, relevant local government experience, proven ability and compatibility. In addition, the City attempted to obtain diversity in age, gender and skills, to form a panel reflective of the City values and hiring practices.

In addition to the above the City was guided by part 5.6.3 of the State Governments Design Review Guide to additional criteria, including but not limited to:

“Ability to analyse, evaluate and offer objective and constructive feedback on complex design quality issues in design review, for evaluation of complex development applications and on strategic planning matters and good written and verbal communication to ensure that advice provided to proponents is clear and concise.”

The City is confident that the recommended list of EOI finalists exceeds City requirements and the requirements of the State.

The City received a very skilled, experienced, and highly sought-after group of EOIs with the recommended eight (8) being of a suitably high standard.

Strategic Plans/Policy Implications

Local Economy

A sustainable and diverse local economy that attracts increased investment and provides local employment.

Listening & Leading

A community focused, sustainable, accountable, and progressive organisation.

Budget/Financial Implications

Panel members are paid for their services at an industry standard hourly rate, from the approved Development Services budget.

Legal Implications

Nil

Community Consultation

Nil

Risk Management Implications

Should a panel not be appointed, the City will fail to deliver its objectives in supporting good design outcomes and achieving its Division Purpose of '*Creating the best place to be.*' Refer to the section in this report titled; "why have a DRP" for more details.

14.2 Corporate and System Services

14.2.1 Mid-Year Budget Review 2024-25

Executive	Director Corporate and System Services
Author(s)	Head of Finance
Attachments	1. Mid-year budget review 2024-25 ↓

RECOMMENDATION

That Council:

- (1) AMEND its Municipal Budget for 2024-25 as set out in the Schedule of Budget Amendments attached to the Agenda and summarised below:

Financial Activity Nature	Review Result	Budget Surplus Impact \$
Operating Revenue	Increase	+4,228,266
Operating Expenditure	Increase	-1,183,289
Capital Revenue	Increase	+1,915,355
Capital Expenditure	Decrease	+8,906,484
Asset sale proceeds	Decrease	-667,514
T/F from Reserves	Decrease	-9,386,070
T/F to Reserves	Increase	-3,813,232
Net mid-year budget review adjustment	Balanced	Nil
Current FY25 Budget Surplus	Unchanged	\$166,617

TO BE CARRIED BY AN ABSOLUTE MAJORITY OF COUNCIL

Background

Council adopted its annual Municipal Budget at the 25 June 2024 Special Council Meeting, and in accordance with statutory provisions, a formal report on the performance of the budget to the end of December 2024 is presented to the February 2025 Ordinary Council Meeting.

Section 33A (1) of the *Local Government (Financial Management) Regulations 1996* requires that Council reviews the six-monthly performance of its annual budget between 1 January and 31 March each year.

Submission

N/A

Report

The objective of the budget review exercise is to identify and address any significant variations to Council's adopted budget, supporting better financial management practices.

The City's budget managers assessed their budget performance to 31 December and made submissions based on identified financial requirements for the remainder of the year.

The detailed schedule attached to the agenda consolidates the submissions made and this includes brief explanations for the changes requested.

Budget submissions were also reviewed by the Finance and Executive teams.

The mid-year budget review is a formal process required by law. However, it is important to note that Council also makes budget amendments throughout the year based on recommendations from the Expenditure Review Committee.

The results of the budget review and its impact on the City's closing net current assets (budget surplus) for 2024-25 are demonstrated in the following summary table:

Description	\$	
Adopted closing net current assets FY25	300,000	Budget Surplus
LESS net budget adjustments before statutory budget review	130,735	Reported in monthly Agendas
Closing net current assets prior to mid-year review	166,617	Budget Surplus
Mid-year budget review items:		
Operating Revenue	4,228,266	
Operating Expenditure	-1,183,289	
Capital Revenue	1,915,355	
Capital Expenditure	8,906,484	
Asset sale proceeds	-667,514	
T/F from Reserves	-9,386,070	
T/F to Reserves	-3,813,232	
Net mid-year budget review adjustment	Nil	
Closing Municipal Position after mid-year review	166,617	Budget Surplus

The current budget surplus of \$166,617 reported in the December Financial Report is maintained, reflecting a balanced result from the mid-year review.

While the budget review process initially yielded net savings of \$1.23 million, this is proposed to be transferred into the City's Building Infrastructure Reserve (in accordance with Council budget management policy).

It is also worth noting that the mid-year review results will improve the City's budgeted operating deficit, reduced to \$3.60 million as demonstrated in the following table:

	Operating Revenue	Operating Expenditure	Operating Result
Adopted Budget	202,900,098	207,100,030	(4,199,932)
Carry Forwards	20,922	1,747,665	
Expenditure Review Committee items	807,372	1,786,292	
Ordinary Council Meeting items	330,000	70,500	
December 2024 Financial Report	204,058,392	210,704,487	(6,646,095)
Mid-year budget review	4,228,266	1,183,289	
	208,286,658	211,887,776	(3,601,118)

In the following table, the mid-year review results are presented according to their nature:

Category/Nature	\$	Budget Surplus Impact \$
Operating Revenue		
Rates	175,858	
Specified Area Rates	40,975	
Fees & Charges	2,321,111	
Service Charges	30,000	
Operating Grants & Subsidies	658,290	
Contributions, Donations & Reimbursements	202,032	
Interest Earnings	800,000	
Net additional operating revenue	4,228,266	4,228,266
Operating Expenditure		
Materials & contracts	-2,029,383	
Employee costs	357,182	
Utilities	29,183	
Insurance	268,344	
Other Expenses	2,557,963	
Net additional operating expenditure	1,183,289	-1,183,289
Net capital program reduction	-8,906,484	8,906,484
Capital Income		
Capital Grants		
Capital Grants & Contributions	1,915,355	
Proceeds from Sale of Assets	-667,514	
Net additional capital income	1,247,841	1,247,841
Net reduced transfers from Reserves	-9,386,070	-9,386,070
Net additional transfers to Reserves	3,813,232	-3,813,232
Net Budget Surplus Impact		0

Operating Revenue

The net increase to operating revenue of \$4.23m includes the following significant items:

- Increased landfill fees revenue due to additional commercial tonnages entering the gate (+\$1.80m).
- Increased interest revenue due to larger portfolio size and yield (+\$0.80m)
- Additional interim and part-year rating revenue (+\$0.17m)
- Net additional revenue from the Cockburn ARC (+\$0.64m)
- Extra revenue from the hire of community facilities (+\$0.12m)
- Additional sand mining royalty income (+\$0.12m)
- Extra grant funding for Cockburn Care client packages (+\$0.65m)
- Insurance claim reimbursements (+\$0.10m)
- Reduced income from parking infringements expected (-\$0.30m).

Operating Expenditure

The net increase to operating expenditure of \$1.18m includes the following significant items:

- Landfill levy payable has increased due to the higher tonnages going to landfill (+\$2.70m).
- Increased Microsoft software licencing costs (+\$0.44m)
- Increased landfill operating costs (+\$0.42m)
- Higher salary costs for waste collection due to reduced availability of contractors (+\$0.22m)
- Additional casual salaries at Cockburn ARC from higher usage and expansion project disruption (+\$0.28m).
- Reduced contract costs at Cockburn ARC (-\$0.22m)
- Reduced corporate traineeship budget from savings (-\$0.14m)
- Waste to Energy entry fees replaced by internal tipping charges (-\$2.85m).
- Insurance costs are being adjusted up a net \$0.27m, mainly due to workers compensation prior year adjustments (\$0.35m).
- Annual maintenance costs for CCTV network increasing (+\$0.19m).

Capital Revenue

Capital related revenue will increase by a net \$1.25m and includes the following significant items:

- Proceeds from asset disposals reduced due to procurement and supply related delays in replacing several heavy plant items (-\$0.66m).
- Land acquisition payments by the City for road reserves (Crown land) not expected this year (+\$2.0m). These are netted off against capital revenue.

Capital Expenditure

The City's capital program will be reduced by a net \$8.90m across 42 projects. Those with significant (material) adjustment requirements have been highlighted below.

Additional budget required:

- Leachate Pond HWRP - project has faced significant issues with unforeseen geotechnical issues on site leading to increased costs, additional funds to ensure works delivery and meet contractual liabilities – extra \$2.35 million needed (existing \$3.5 million).
- Beale Park redevelopment - additional funding required to complete construction documentation and contract documentation (multi-year project with Council approved project funding of \$20 million) – extra \$0.47 million needed (existing \$0.47 million).
- Spearwood Avenue (Doolette to Falstaff) drainage upgrade. Additional funding of \$0.35 million required to remove and dispose asbestos containing existing pipework (existing \$0.35 million).

Surplus budget returned:

- Aboriginal Cultural & Visitors Centre –detailed design is progressing this year with funds earmarked for commencing construction (\$2.0 million) subject to Council adoption of the design, updated pre-tender estimate, and funding model including government or private funding – returning \$2.0 million (of \$2.54 million).
- Rockingham Road and Phoenix Rd intersection upgrade (roundabout) – market engagement for construction likely in Q3 FY25, so budget has excess funds this year – returning \$2.65 million (of \$3.12 million) for rebudgeting in FY26.
- Stratton Street drainage upgrade – project has reached practical completion well under approved budget – returning \$1.0 million (of \$2.78 million).
- Bennett Avenue upgrade (Rollinson to Garston) – this is a contribution to Development WA, with project award planned for June 2025 – returning \$1.0 million for rebudgeting in FY26.
- Resource Recovery Centre project – has been placed on hold subject to review of waste strategy – returning remaining budget funds of \$0.94 million (of \$1.1 million).
- Heavy plant replacements – eight trucks (waste, roads, parks), a road sweeper, and a seniors' bus will not be delivered in FY25 due to procurement delays and long lead times. A total \$3.89 million will be returned and rebudgeted in FY26.
- Project BETTI (Building Efficiencies Through Technological Improvements) - Six sites completed in FY25, with remaining sites needing to be deferred to allow assessment of competing access control systems – returning \$0.38 million (of \$0.49 million).

Transfers from Reserve (to Municipal)

Reserve funding required for the FY25 budget has reduced a net \$9.38m.

- There is a \$8.24m reduction associated with the capital program budget
- \$2.0m is not needed for land acquisition (Crown land) payments
- Workers compensation insurance prior year adjustments will be funded from the Risk Reserve (+\$0.35m)
- Operational budget adjustments within Cockburn Care will be balanced from the Restricted Funding Reserve (+\$0.18m)
- CCTV increased maintenance costs will be funded from the Technology Reserve (+\$0.19m)
- Funding for the Port Coogee sand bypassing is to come from the Waterways WEMP/SAR Reserves (+\$0.15m).

Transfers to Reserve (from Municipal)

Budgeted transfers to reserves will increase by a net \$3.81 million and comprise the following main adjustments:

- Net additional landfill revenue and internal tipping fees of \$2.31 million will be transferred into the Commercial Landfill Reserve.
- Net profit from outsourced waste collection services of \$0.26 million will be placed into the Waste Management Reserve.
- The mid-year budget review net savings of \$1.23 million are proposed to be transferred into the Building Infrastructure Reserve to support future funding commitments for renewing and building new facilities.

Strategic Plans/Policy ImplicationsListening and Leading

A community focused, sustainable, accountable and progressive organisation

- Best practice Governance, partnerships and value for money.

Budget/Financial Implications

The City's Municipal Budget will be amended in accordance with the recommended line-item changes contained in the report attachment. There is no change proposed to the budget surplus of \$166,617 given net savings identified through the budget review will be transferred into the City's reserves in accordance with the City's Corporate Strategic Planning & Budget Policy.

Legal Implications

N/A

Community Consultation

N/A

Risk Management Implications

The City is required to prepare and adopt a Mid-Year Budget Review by 31 March each year as part of the financial reporting requirements of the *Local Government Act 1995* and the associated *Local Government (Financial Management) Regulations 1996*.

Failure to adopt the mid-year budget review will result in the City being non-compliant with legislative requirements. This non-compliance would also hinder the City's financial ability to deliver budgeted works and services.

Advice to Proponents/Submitters

RECOMMENDATION

That Council:

- (1) RECEIVES the list of payments from the Municipal Fund during the months of November and December 2024, as attached to the Agenda; and
- (2) RECEIVES the lists of transactions made by credit and other purchase cards during the months of November and December 2024, as attached to the Agenda.

Background

Council has delegated its power to make payments from the Municipal or Trust Fund to the Chief Executive Officer and other sub-delegates under Delegated Authority ‘*Local Government Act 1995 - Payment from Municipal and Trust Funds*’.

Regulation 13 (1) of the *Local Government (Financial Management) Regulations 1996* requires a list of accounts paid under this delegation to be prepared and presented to Council each month.

Regulation 13A requires a list of payments to be prepared and presented to Council each month for those made by employees using credit, debit, or other purchasing cards.

Due to the break in Council meetings in January, details for two months’ transactions are included.

Submission

N/A

Report

Payments made under delegation during the months of November and December totalled \$16.57 million and \$28.37 million respectively. All payment amounts reported are inclusive of GST (impact to budget is GST exclusive cost).

The payment of Emergency Services Levy for \$6.42M in December was the main reason for the spike in total payments made.

The following table provides a summary of payment types and detailed lists are included as attachments:

	Nov 24 \$	Dec 24 \$
Net EFT payments (suppliers, sundry creditors)	12.32M	22.14M
Payroll payments	4.15M	6.14M
Corporate credit cards	81,440	77,653
Bank transactional fees (BPay and merchant fees)	14,887	11,702

The City makes several payment runs each month to ensure suppliers and other payees are paid on a timely basis, particularly local and small businesses.

Also attached are credit card transaction lists for this same reporting period, grouped by cardholder position. The CEO's credit card had seven transactions totalling \$311.28 over this period.

The following table summarises all purchases made by corporate credit cards, equating to 0.5% of the City's monthly supplier spend:

Description	Nov 24 \$	Dec 24 \$	Major Items
Advertising	5,965	3,619	Facebook, Google
Application, Licence, Registration Fees	1,731	1,049	DMIRS licence, Western Power design fee
Bank and Other Fees	2,267	-85	Annual card fees
Conferences and Seminars	2,449	2,174	National Reconciliation, UDIA, AUKUS, CHSP conferences
Disputed Transactions	166	1,088	Refunded by bank
Equipment Purchases	5,382	6,669	Minor equipment (< \$1k)
Events and Functions	7,664	9,914	Seniors' Centre outings
Hire of Equipment and Facilities	1,487	1,510	Various venue hires
Meeting/Workshop Catering	1,813	3,059	Community workshops, volunteer events, meetings
Motor Vehicle Expenses	1,377	431	Hire vehicle fuel for events, minor equipment
Office Supplies	1,328	194	Office & stationery supplies
Parking Expenses	88	314	
Professional Services	3,492	1,420	Vet, medical services, cleaning, animal euthanasia
Program Costs	6,137	4,450	Youth & children's programs
Subscriptions and Memberships	10,018	6,858	Various
Supplies and Materials Purchases	23,536	24,017	Urgent door replacements and plant maintenance items, library books
Training & Professional Development	2,292	9,351	CPR, first aid, traffic management, software training
Travel and Accommodation	4,247	1,622	CHSP & Indo conference travel/accommodation
Total	81,440	77,653	

Several types of purchase cards are also used across the City for business purchases, and these are governed by the City's procurement policy and procedures.

Detailed lists showing all card transactions are included and summarised below:

Type	Nov 24 \$	Dec 24 \$	Purpose
Woolworths	4,905	3,460	Seniors Centre & other community services
Bunnings PowerPass	6,893	3,387	Facilities, fleet, parks, waste
BP fuel cards	33,900	28,696	Plant & light fleet

Local Procurement

Monthly statistics on local and regional procurement spend are summarised below, showing the spend amounts and percentages against total spend:

Procurement Report - Local Buy Summary & Trends

December 2024

Monthly Statistics	CoC Local Spend	\$3,786,048	CoC Local \$	56.63%	CoC Local Qty	31.52%
	Local/Regional Spend	\$4,121,274	Local/Regional \$	61.64%	Local/Regional Qty	36.01%
Aboriginal Engagement	Suppliers used YTD	13	Orders raised YTD	381	Committed spend YTD	\$373,808

In December, local spending within Cockburn made up 56.6 percent of the City's monthly spend and 31.5 percent of all procurement transactions.

Within the Perth South West Metropolitan Alliance (PSWMA) region, this increased to 61.6 percent of monthly spend from 36.0 percent of transactions.

The following one year rolling chart to December 2024 tracks the City's procurement spend with businesses located within Cockburn and the PSWMA region:

The 12-month rolling local Cockburn spend to the end of December was \$22.32 million or 24.5 percent of the City's total spend, increasing to \$45.74 million or 50.1 percent of total spend within the PSWMA region.

These results track the City's performance in achieving Council's "local and regional economy" and the "social" principle contained within its Procurement Policy (i.e. a buy local procurement preference).

Social Procurement

To the end of December, the City had engaged 13 Aboriginal businesses, with a total YTD committed spend of \$373,808. This has increased from 12 businesses and \$343,110 from the last period reported (October 2024).

This result already doubles last year's total spend of \$184,167.

Strategic Plans/Policy ImplicationsLocal Economy

A sustainable and diverse local economy that attracts increased investment and provides local employment.

- Thriving local commercial centres, local businesses and tourism industry.

Listening & Leading

A community focused, sustainable, accountable and progressive organisation.

- Best practice Governance, partnerships and value for money.
- High quality and effective community engagement and customer service experiences.

Budget/Financial Implications

All payments made have been provided for within the City's Annual Budget, as adopted and amended by Council.

Legal Implications

This item ensures compliance with s6.10(d) of the *Local Government Act 1995* and Regulations 12, 13, and 13A of the *Local Government (Financial Management) Regulations 1996*.

Community Consultation

N/A

Risk Management Implications

Council is receiving the list of payments made by the City under delegation in meeting its contractual obligations.

This is a statutory requirement and allows Council to review and clarify any payment that has been made.

BP Plus Fleet Control Report

Page: 1 of 37
Date: 31/12/2024

Go paperless and receive your invoices and statements via email. Provide your BP Plus account number along with your email address to aucustcare@bp.com and our team will help you make the switch. If you have paid your account via credit card, your Service Fee will appear on your summary Tax Invoice.

Please Note: if you are disputing a transaction, this needs to be lodged in writing within 30 days from the date of issue of this Fleet Control Report.

BP Plus Fleet Control Report

Page: 1 of 38
Date: 30/11/2024

Go paperless and receive your invoices and statements via email. Provide your BP Plus account number along with your email address to aucustcare@bp.com and our team will help you make the switch. If you have paid your account via credit card, your Service Fee will appear on your summary Tax Invoice.

Please Note: if you are disputing a transaction, this needs to be lodged in writing within 30 days from the date of issue of this Fleet Control Report.

14.2.3 Monthly Financial Report - November and December 2024

Executive	Director Corporate and System Services
Author	Head of Finance
Attachments	1. Financial Report - December 2024 ↓ 2. Financial Report - November 2024 ↓

RECOMMENDATION

That Council ADOPTS the Monthly Financial Report containing the Statement of Financial Activity and other financial information for the months of November and December 2024, as attached to the Agenda.

Background

Local Government (Financial Management) Regulations 1996 prescribe that a Local Government is to prepare each month a Statement of Financial Activity.

Regulation 34(2) requires the Statement of Financial Activity to be accompanied by documents containing:

1. Details of the composition of the closing net current assets (less restricted and committed assets).
2. Explanation for each material variance identified between year to date (YTD) budgets and actuals.
3. Any other supporting information considered relevant by the Local Government.

Regulation 34(4)(a) prescribes that the Statement of Financial Activity and accompanying documents are to be presented to Council within two months after the end of the month to which the statement relates.

The regulations require the information reported in the statement to be shown either by nature or type, statutory program, or business unit.

The City has chosen to report the information according to nature or type and organisational business structure.

Local Government (Financial Management) Regulations 1996 - Regulation 34 (5) states "Each financial year, a Local Government is to adopt a percentage or value, calculated in accordance with the Australian Accounting Standards, to be used in statements of financial activity for reporting material variances."

This regulation requires Council to annually set a materiality threshold for the purpose of disclosing budget variances within monthly financial reporting.

The materiality threshold has been set by Council at \$300,000 for 2024-25(FY25).

Detailed analysis of budget variances is an ongoing exercise, with necessary budget amendments either submitted for Council approval through the Expenditure Review Committee or included in the City's mid-year budget review.

Submission

N/A

Report

The attached Financial Reports for November and December 2024 have been prepared in accordance with the *Local Government Act 1995* and the associated Financial Management Regulations. As there was no Council meeting held in January, the November 2024 financial report has been included to meet statutory requirements.

These have been reviewed, and the following commentary addresses key financial results and the City's budgetary performance up to the end of December.

Statement of Financial Position

This shows the City's financial position at the end of the month, compared to the end of the previous financial year. Net assets total \$1.902 billion at the end of the month (\$1.826 billion end of June 2024), mainly increasing due to the levy of the annual rates.

Opening Surplus

The audited opening surplus budget of \$19.69 million now reflects the adjustments adopted by Council in December. This is \$12.78 million greater than the previous revised budget of \$6.91 million (inclusive of \$5.91 million for carry forwards).

This additional surplus was reviewed at the Expenditure Review Committee meeting in November 2024 and recommended transfers to financial reserves were also adopted by Council at its December meeting (as per Council policy). These have been incorporated into the December financial report.

Closing Surplus

The City's YTD closing surplus to the end of December was \$106.77 million, compared to a YTD budget of \$82.77 million.

This represents a favourable budget variance of \$24.0 million, comprising the variances across the FY25 operating and capital budgets as detailed in this report.

The full year closing surplus is currently budgeted at \$166,617, slightly down on the adopted budget surplus of \$300,000. This will fluctuate throughout the year due to budget amendments adopted by Council (e.g., Expenditure Review Committee recommendations and the statutory mid-year budget review).

Operating Revenue

Operating revenue of \$172.39 million was \$3.37 million ahead of YTD budget for December.

The following table summarises the operating revenue budget performance by nature:

Revenue from operating activities	Amended		YTD Actual \$	YTD Variance \$
	Full Year Budget \$	YTD Budget \$		
Rates	133,800,000	133,554,503	133,709,033	154,530
Specified Area Rates	616,025	616,025	650,059	34,034
Fees & Charges	40,876,009	23,023,511	24,912,589	1,889,078
Service Charges	220,000	110,000	247,110	137,110
Operating Grants, Subsidies, Contributions	15,711,258	4,962,734	4,779,332	(183,402)
Interest Earnings	12,835,100	6,417,550	7,180,302	762,752
Profit/Loss on Sale of Assets	1,464,133	331,311	913,298	581,987
Total	205,522,525	169,015,634	172,391,723	3,376,089

Material variances in the City's operating revenue include the following budget items:

- Rates revenue was \$0.15 million ahead of YTD budget due to strong interim rating
- Interest earnings on term deposit investments outperformed the YTD budget by \$0.76 million and will require a mid-year review upwards adjustment
- Landfill fees were \$0.68 million ahead of the YTD budget, with delays to Waste to Energy (W2E) processing infrastructure driving additional tonnages through the gate
- Cockburn ARC fees and charges were ahead of YTD budget by \$0.68 million, a strong result given the gym expansion works in progress
- Operating grants & subsidies were \$0.47 million under YTD budget, with family day care subsidies showing a \$0.25 million shortfall
- Profit on disposal of fleet and plant assets was showing a positive variance of \$0.56 million, although this is a non-cash derived book value subject to further processing.

Operating Expenditure

Operating expenditure of \$98.47 million to the end of December was under YTD budget by \$5.68 million (or 2.7% of full year budget).

The following table summarises the operating expenditure budget variance performance by nature:

Expenditure from Operating Activities	Amended		YTD Actual \$	YTD Variance \$
	Full Year Budget \$	YTD Budget \$		
Employee costs	82,165,757	40,822,949	40,459,255	363,694
Materials & Contracts	60,309,312	27,942,032	22,062,576	5,879,456
Utility charges	6,521,338	3,169,078	3,004,937	164,141
Interest/Finance Costs	260,312	80,150	115,262	(35,112)
Insurance expenses	2,570,579	2,345,640	2,546,232	(200,592)
Other expenditure	12,686,562	7,383,726	7,844,333	(460,607)
Depreciation/Amortisation	46,190,627	22,421,772	22,445,868	(24,096)
Total	210,704,487	104,165,347	98,478,463	5,686,884

Material variances in the City's operating expenditure included the following budget items:

- Materials and contracts (\$5.87 million under YTD budget):
 - Cockburn ARC operating contract costs were \$0.71 million under YTD budget
 - Delay in Waste to Energy domestic waste processing causing an \$0.85 million contract underspend (City's waste continuing to be landfilled at internal cost)
 - Timing variance of \$0.40 million in the City of South Perth verge collection contract cost
 - Streets maintenance costs (streetscapes, verges, were \$0.52 million under YTD budget)
 - Organisation Review related costs are under YTD budget by \$0.31 million.
 - Software licencing costs were \$0.67 million over YTD budget, mainly due to increased Microsoft licencing costs
- Other expenditure (\$0.46 million over YTD budget) – landfill levy was \$0.71 million over YTD budget due to higher commercial tonnage volumes.

Capital Expenditure

Council adopted a capital works program of \$53.73 million in the FY25 annual budget, that is now at \$80.71 million following recognition of carry forwards and other adjustments adopted by Council.

The City has spent \$24.17 million on its capital program to the end of December, representing an underspend of \$11.35 million against YTD budget.

While the capital budget is showing a YTD cash underspend, the City currently has committed procurement contract expenditure of \$22.71M. This represents a total spend/commitment of \$46.88 million (58%) against the full year budget.

The following table shows the budget performance by asset class:

Capital Acquisitions	Amended		YTD Actual \$	YTD Variance \$
	Budget \$	YTD Budget \$		
Buildings	24,985,317	10,755,216	8,532,173	(2,223,043)
Furniture & Equipment	969,100	574,100	418,800	(155,300)
Plant and Equipment	13,302,290	4,786,573	3,507,184	(1,279,389)
Information Technology	1,450,137	819,118	352,411	(466,707)
Infrastructure - Roads	12,152,291	5,078,747	2,481,110	(2,597,636)
Infrastructure - Drainage	8,879,802	5,063,164	2,257,523	(2,805,641)
Infrastructure - Footpath	2,194,860	906,121	400,239	(505,882)
Infrastructure - Parks hard	8,180,809	4,373,887	2,977,908	(1,395,979)
Infrastructure - Landscaping	90,686	90,686	43,246	(47,440)
Infrastructure - Landfill site	6,862,554	1,947,881	3,024,457	1,076,576
Infrastructure - Marina	202,385	25,385	46,850	21,465
Infrastructure - Coastal	1,442,592	1,116,620	135,998	(980,622)
Total	80,712,823	35,537,497	24,177,899	(11,359,598)

Major variances identified in the City's capital program budget were identified as follows:

- Buildings (\$2.22 million under YTD budget):
 - ARC Expansion - \$0.54 million under YTD budget.
- Parks infrastructure (\$1.39 million under YTD budget):
 - Len Packham Court Rehabilitation - \$0.22 million under YTD budget
 - Rose Shanks Vehicle Access Tracks - \$0.20 million under YTD budget
 - Balboa tile repairs - \$0.19 million under YTD budget.
- Coastal Infrastructure (\$0.98 million under YTD budget):
 - CY O'Connor Fringing Reef - \$0.77 million under YTD budget.
- Drainage Infrastructure (\$2.80 million under YTD budget):
 - Marvell Avenue Drainage Improvements - \$0.95 million under YTD budget
 - Edeline Street Drainage Improvements - \$0.65 million under YTD budget
 - Parks Infrastructure Renewal Allocation - \$0.30 million under YTD budget.
- Roads Infrastructure (\$2.59 million under YTD budget):
 - Bennett Avenue Upgrade (Rollinson to Garston) – capital contribution \$1.1 million under YTD budget
 - Carrington & Forrest Rd Blackspot Program - \$0.90 million under YTD budget
 - Carrington St (Winterfold to Healy) - \$0.30 million under YTD budget.

Non-Operating Grants, Subsidies and Contributions

The City's budget for capital grants and contributions is a net \$11.64 million.

This includes \$13.64 million in funding to be received, less an outgoing contribution of \$2 million for road reserve land acquisition.

There was \$1.40 million of non-operating grants or contributions recognised to the end of December, tracking under the YTD budget of \$3.33 million. Recognition of this capital revenue is tied to project completion (as per the Australian Accounting Standards).

Financial Reserves

A detailed schedule of the City's financial reserves is included in the financial report, showing a balance of \$203.08 million held at the end of December.

General revenue reserves were \$169.92 million, with the balance of \$33.16 million balance for restricted and legislated purposes (including \$14.68 million from developer contributions).

Transfers in and out of financial reserves are made in accordance with budgetary and statutory requirements with the end of year budget position currently showing a forecast balance of \$205.44 million.

Cash and Financial Assets

The City's closing cash and financial assets investment holding at the end of December totalled \$285.73 million (down from \$299.67 million in November).

This balance included financial assets (term deposits and investments) of \$270.74 million, and cash and cash equivalent holdings (cash at bank and at call deposits) of \$14.99 million.

\$203.82 million of these funds are internally and externally restricted, reflecting the City's financial reserves and cash liability for bonds and deposits held.

The remaining \$81.91 million represented unrestricted municipal funds for the City's operating activities and liabilities.

Investment Performance, Ratings and Maturity

The City's term deposit portfolio running yield has slightly increased to an annualised 4.92 percent as of 31 December (higher than 4.90 percent the month before).

There were no cash rate changes made by the Reserve Bank of Australia (RBA) during the reporting period, with the portfolio running yield continuing to outperform the City's KPI target rate of 4.85 percent (cash rate of 4.35 percent plus 0.50 percent performance margin). The timing of any future rate cuts will rely on forthcoming data.

One new investment was placed during the month of December at a rate of 4.90% for three years.

Current term deposit investments are fully compliant with Council's Investment Policy requirements, as indicated below:

Investment Policy Compliance		
Legislative Requirements	✓	Fully compliant
Portfolio Credit Rating Limit	✓	Fully compliant
Institutional Exposure Limits	✓	Fully compliant
Term to Maturity Limits	✓	Fully compliant

The portfolio also includes several reverse mortgage securities purchased under previous policy and statutory provisions.

These have a face value of \$2.316 million and market value of \$1.49 million, although the City currently carries them at a book value of \$0.741 million (net of a \$1.575 million impairment provision made several years ago).

The City receives interest and capital payments, with \$0.69million returned to date of the original \$3.0 million invested.

The City's investments were held with the following financial institutions as of 31 December (inclusive of accrued interest):

Issuer	Market Value	% Total Value
AMP Bank Ltd	4,683,198.06	1.68%
Australian Military Bank Limited	3,067,658.64	1.10%
Bank of Queensland Ltd	19,511,886.32	7.01%
Credit Union Australia Ltd t/as Great Southern Bank	6,207,410.94	2.23%
Defence Bank Ltd	10,823,191.80	3.89%
Emerald Reverse Mortgage Trust	1,504,597.47	0.54%
ING Bank Australia Limited	71,522,882.58	25.69%
Judo Bank	22,580,673.99	8.11%
National Australia Bank Ltd	43,064,765.71	15.47%
Rabobank Australia Ltd	78,606,888.36	28.24%
Suncorp Bank (Norfin Ltd) - Subsidiary of ANZ	11,252,365.76	4.04%
Westpac Banking Corporation Ltd	5,541,943.44	1.99%
Portfolio Total	278,367,463.04	100.00%

The City's short-term deposits (less than 12 months) comprised 52.0 percent (\$144.9 million) of the City's portfolio, compared to 49.6 percent (\$144.8 million) in November.

These were classified under the following credit ratings:

Market Value by Security Rating Group (Short Term)

Deposits invested between one and three years made up 48.0 percent (\$133.5 million) of the City's portfolio, compared to 50.4 percent (\$147.2 million) in November.

These were classified under following credit ratings:

Market Value by Security Rating Group (Long Term)

Investment in Fossil Fuel Free Banks

At month end, the City held \$77.82 million (28.6 percent) of its investment portfolio with banks considered non-funders of fossil fuel related industries (\$86.82 million 30.3 percent in November).

The amount invested with fossil fuel free banks fluctuates depending on the competitiveness of deposit rates being offered and the capacity of fossil fuel free banks to accept funds.

The City will endeavour to preference a fossil fuel free investment, given a similar deposit rate.

Rates Debt Recovery

The collectible rates and charges currently raised for 2024-25 (comprising net arrears, annual levies, and part year rating) totals \$159.73 million.

To the end of December, the City had collected \$112.14 million (70.2 percent), leaving a balance outstanding of \$47.59 million (29.8 percent).

The City also held prepayments for the following year's rates totalling \$0.98 million.

The City has raised \$0.24 million for underground power charges in FY25, being year two of a ten-year repayment plan.

In terms of overdue and delinquent rates accounts under formal or legal debt recovery processes, the City had 150 properties owing a total of \$0.80 million in combined rates and legal fees (79 properties and \$0.63 million in November). This increase reflects those properties falling into arrears for their 2024-25 annual rates.

Formal debt recovery activities are commenced when ratepayers have overdue rates and have not committed to instalment or other payment arrangements or sought relief under the City's Financial Hardship Policy.

Trade and Sundry Debtors

The City had \$3.39 million in outstanding trade and sundry debtors to the end of December (\$3.99 million in November).

Those debts overdue by more than 90 days made up \$0.41 million or 12.0 percent of total debts outstanding (\$0.39 million or 9.7 percent in November).

The 90-day debtors included \$140k owing from the Department of Education, \$60k from Burgess Rawson (commercial leasing), \$53k from Naval Base shacks, and \$162k from landfill customers. These debts are actively managed.

Strategic Plans/Policy ImplicationsListening & Leading

A community focused, sustainable, accountable, and progressive organisation.

- Best practice Governance, partnerships and value for money.

Budget/Financial Implications

Budget amendments are initially referred to Council's Expenditure Review Committee for recommendation to Council.

Council's adopted budget surplus for FY25 of \$300,000 has since decreased to \$166,617 due to Council decisions made throughout the year. Budget surplus changes are listed at Note 8 in the financial report.

Legal Implications

N/A

Community Consultation

N/A

Risk Management Implications

It is important that Council reviews the performance of its adopted budget monthly, focusing on revenue, expenditure, and the closing financial position.

This regular review ensures that Council remains informed and can identify any potential financial risks promptly.

KEY TERMS AND DESCRIPTIONS FOR THE PERIOD ENDED 31 DECEMBER 2024

REVENUE

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refers to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of identifiable non financial assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local Government Act 1995*. *Regulation 54 of the Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

PROFIT ON ASSET DISPOSAL

Excess of assets received over the net book value for assets on their disposal.

NATURE OR TYPE DESCRIPTIONS

EXPENSES

EMPLOYEE COSTS

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Shortfall between the value of assets received over the net book value for assets on their disposal.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, allowance for impairment of assets, member's fees or State taxes. Donations and subsidies made to community groups.

KEY INFORMATION

▲ ▼ Indicates a variance between Year to Date (YTD) Actual and YTD Actual data as per the adopted materiality threshold. Refer to threshold. Refer to Note 9 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2024-25 year is \$300,000 or 0.00% whichever is the greater.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

MONTHLY FINANCIAL REPORT
FOR THE PERIOD ENDED 31 DECEMBER 2024

BASIS OF PREPARATION

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996 , Regulation 34* . Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 December 2024

SIGNIFICANT ACCOUNTING POLICES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated. All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 DECEMBER 2024**

**NOTE 1
STATEMENT OF FINANCIAL ACTIVITY INFORMATION**

(a) Non-cash items excluded from operating activities

The following non-cash revenue and expenditure has been excluded from operating activities within the Statement of Financial Activity in accordance with Financial Management Regulation 32.

	Notes	Amended Budget	YTD Budget (a)	YTD Actual (b)
Non-cash and non-current items excluded from operating activities				
		\$	\$	\$
Adjustments to operating activities				
Less: (Profit)/loss on asset disposals	3	(1,464,133)	(668,618)	(913,298)
Less: Movement in liabilities associated with restricted cash				2,299,522
Add: Movement in other liabilities (non-current)		0	0	60,997
Movement in employee benefit provisions (non-current)		0	0	109,518
Add: Depreciation on assets		46,190,627	22,421,772	22,445,868
Total non-cash items excluded from operating activities		44,726,494	21,753,154	24,002,607

(b) Adjustments to net current assets in the Statement of Financial Activity

The following current assets and liabilities have been excluded from the net current assets used in the Statement of Financial Activity in accordance with *Financial Management Regulation* 32 to agree to the surplus/(deficit) after imposition of general rates.

		Last Year Closing 30 June 2024	This Time Last Year 31 December 2023	Year to Date 31 December 2024
Adjustments to net current assets				
Less: Reserves - restricted cash	6	(215,496,545)	(223,382,983)	(203,082,578)
Less: Bonds & deposits		(2,192,268)	(3,859,561)	(2,449,076)

Closing funding surplus / (deficit)		19,688,757	94,018,706	106,776,392

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

Current borrowings		2,500,000					1,250,000			
Non-current borrowings		2,500,000					2,500,000			
		5,000,000					3,750,000			

All debenture repayments were financed by general purpose revenue.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Amounts shown above include GST (where applicable)					

KEY INFORMATION

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee benefits

Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The City's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

NOTE 8

BUDGET AMENDMENTS

[illegible]

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 DECEMBER 2024**

**NOTE 9
EXPLANATION OF MATERIAL VARIANCES**

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date Actual materially.

The material variance adopted by Council for the 2024-25 year is \$300,000 or 0.00% whichever is the greater.

KEY INFORMATION

▲▼ Indicates a variance between Year to Date (YTD) Actual and YTD Actual data as per the adopted materiality threshold.

Refer to Note 9 for an explanation of the reasons for the variance.

This statement is to be read in conjunction with the accompanying Financial Statements and Notes.

KEY TERMS AND DESCRIPTIONS**FOR THE PERIOD ENDED 30 NOVEMBER 2024****NATURE OR TYPE DESCRIPTIONS****REVENUE****RATES**

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refers to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of identifiable non financial assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local Government Act 1995*. *Regulation 54 of the Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services. Exclude rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, rebates etc.

PROFIT ON ASSET DISPOSAL

Excess of assets received over the net book value for assets on their disposal.

EXPENSES**EMPLOYEE COSTS**

All costs associate with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Shortfall between the value of assets received over the net book value for assets on their disposal.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, allowance for impairment of assets, member's fees or State taxes. Donations and subsidies made to community groups.

KEY INFORMATION

▲ ▼ Indicates a variance between Year to Date (YTD) Actual and YTD Actual data as per the adopted materiality threshold. Refer to threshold. Refer to Note 9 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2024-25 year is \$300,000 or 0.00% whichever is the greater.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

This statement is to be read in conjunction with the accompanying notes.

MONTHLY FINANCIAL REPORT
FOR THE PERIOD ENDED 30 NOVEMBER 2024

BASIS OF PREPARATION

BASIS OF PREPARATION

REPORT PURPOSE

This report is prepared to meet the requirements of *Local Government (Financial Management) Regulations 1996 , Regulation 34* . Note: The statements and accompanying notes are prepared based on all transactions recorded at the time of preparation and may vary due to transactions being processed for the reporting period after the date of preparation.

BASIS OF ACCOUNTING

This statement comprises a special purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this financial report. This is not in accordance with the requirements of *AASB 1051 Land Under Roads paragraph 15* and *AASB 116 Property, Plant and Equipment paragraph 7*.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 30 November 2024

SIGNIFICANT ACCOUNTING POLICES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated. All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 NOVEMBER 2024**

**NOTE 1
STATEMENT OF FINANCIAL ACTIVITY INFORMATION**

(a) Non-cash items excluded from operating activities

The following non-cash revenue and expenditure has been excluded from operating activities within the Statement of Financial Activity in accordance with Financial Management Regulation 32.

	Notes	Amended Budget	YTD Budget (a)	YTD Actual (b)
Non-cash and non-current items excluded from operating activities				
		\$	\$	\$
Adjustments to operating activities				
Less: (Profit)/loss on asset disposals	3	(1,265,133)	(668,618)	(875,668)
Less: Movement in liabilities associated with restricted cash				1,683,553
Add: Movement in other liabilities (non-current)		0	0	60,997
Movement in employee benefit provisions (non-current)		0	0	36,864
Add: Depreciation on assets		46,190,627	18,634,961	18,658,151
Total non-cash items excluded from operating activities		44,925,494	17,966,343	19,563,897

(b) Adjustments to net current assets in the Statement of Financial Activity

The following current assets and liabilities have been excluded from the net current assets used in the Statement of Financial Activity in accordance with *Financial Management Regulation* 32 to agree to the surplus/(deficit) after imposition of general rates.

		Last Year Closing 30 June 2024	This Time Last Year 30 November 2023	Year to Date 30 November 2024
Adjustments to net current assets				
Less: Reserves - restricted cash	6	(215,496,545)	(223,382,983)	(209,972,199)

Provisions	7	(9,886,824)	(9,413,922)	(10,237,130)
Less: Total adjustments to net current assets	1(b)	(137,223,251)	(167,805,359)	(66,014,801)
Closing funding surplus / (deficit)		19,688,757	94,018,706	118,021,706

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

		89,702,028	209,972,199	299,674,227	

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

All debenture repayments were financed by general purpose revenue.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

KEY INFORMATION

Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee benefits

Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The City's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

14.3 Community and Place

14.3.1 Success Reserve Master Plan

Executive	Director Community and Place
Author	Community Facilities Advisor
Attachments	Attachments Under Separate Cover <ol style="list-style-type: none">1. Success Reserve Master Plan2. Success Reserve Draft Master Plan – Appendix Submissions Received

RECOMMENDATION

That Council:

- (1) ENDORSES the Success Reserve Master Plan and capital project priorities identified in the report (Attachment 1); and
- (2) RECEIVES the Community Feedback Report from the community engagement period of the draft Success Reserve Master Plan (Attachment 2).

Background

Success Regional Recreation Reserve (Reserve No 7756) is located on Hammond Road, Success and was commissioned for recreational activities in 2010. The land is owned by the State of WA with a Management Order granted to the City.

Success Reserve is an active sporting facility that is home to the Southern Lions Rugby Union Club and Success Netball Association.

The reserve comprises of three rugby fields and 20 netball courts to facilitate the two main user groups.

It also caters for the broader community through path networks, a play space, picnic area and a large community building.

The building caters for several community groups plus large functions and events, however it is not conducive to allow both community and Club use as intended due to the single kitchen already being shared by Netball and Rugby users.

The reserve includes an important and valued bushland area in the south west corner which contains a wetland area. To the north of the internal road is an ecological and drainage corridor and to the east lies a powerline easement.

There is a parcel of land directly adjoining the reserve where the old Success Fire Station is located which is owned by Department of Fire and Emergency Services.

Draft Master Plan Development

The City commenced investigations into the Success Reserve Master Plan in 2022 with Otium Planning Group Pty Ltd appointed to lead the Master Plan development process.

The objectives of developing the Master Plan were to determine the most suitable development options (renew, upgrade or replacement) for the community infrastructure, incorporating it into one integrated site master plan.

Specifically, the consultant was requested to investigate solutions to the following issues:

- Car parking capacity at peak times
- Functionality issues of the Success Regional Sports and Community Facility
- Outdoor hard court and reserve infrastructure limiting membership capacity
- Site constraints – natural environment and possible contaminated site.

Key findings from the Master Plan development process include:

- The project is supported at the strategic level, identified in City's Strategic Community Plan 2020-2030
- The City's current population is 131,913 and it is forecast to grow to 178,353 by 2046 – representing a change of 35.21%
- Success Reserve is the only facility of its kind in the wider catchment and is categorised at a regional level for its sporting activities and community facility
- Whilst the reserve predominantly caters for sport, the forecast growth will also see a demand for a higher level of community provision across all age groups and should also include safe access activity spaces, seating, shade, lighting and infrastructure that will support a healthy lifestyle
- The site has many constraints that impacts significantly on the type, size, number, and timing of infrastructure that may be needed in the future. Areas unable to be developed are the conservation area at the south-west corner and the ecological and drainage corridor that runs along the northern length of the local road
- The former fire station (owned by DFES) is reported as being contaminated and will need to be demolished and remediated following further investigation. (Note: demolition was completed in December 2024)
- The City is likely to need this site in the future for the growth of Netball Infrastructure and parking
- The functional audit concluded that the existing building has a number of issues relating to access compliance, best practice, functionality and not being fit for purpose
- This Master Plan presents an opportunity for the City to improve the level of service able to be provided with more functional and modern facilities for all.

Concept building plans and concept site master plans were developed, and an Opinion of Probable Costs was prepared for the various infrastructure items proposed in the concept plan and site master plan.

With the total Cost to implement the entire Master Plan estimated to be \$26,420,000, comprising:

- Community Building \$12,490,000
- Site master plan infrastructure \$13,930,000 (made up of 8-10 proposals).

Council considered the draft Success Reserve Master Plan at the September 2024 OCM and endorsed the draft plan for purposes of Public Comment (2024/MINUTE NO.0187).

Community and stakeholder feedback was sought on the Draft Master Plan, and this consultation phase closed on 4 November 2024.

Submission

There were three written and 25 online submissions in response to the Draft Success Reserve Master Plan, the written submissions were received from:

- Southern Lions Rugby Union Football Club
- Rugby WA
- Success Primary School.

Feedback received within these submissions has been included in the Community Feedback Report (Attachment 2) and is addressed, along with the 25 online submissions in the Community Consultation section of this report.

Report

The September 2024 report on the draft Success Reserve Master Plan recommended to deliver the identified capital works projects in a phased approach in order of priority. The following table noting the proposals, indicative cost and priority order was included in that report.

Priority	Infrastructure Item	Cost (ex GST)
1	Outdoor court sports floodlighting	\$4,858,000
2	DFES site planning and investigation	Variable depending on scope of investigation
3	Small sporting infrastructure – including Australian rules football goal posts, 3 x 3 basketball pad/path connections, southern fence extension	\$396,000
4	Path lighting	\$316,000
5	Temporary overflow parking (if required)	\$368,000
6	Reserve sports lighting	\$1,366,000
7	Existing car park upgrade – including formalising parallel parking	\$1,233,000
8	Outdoor exercise area	\$256,000
9	Playspace upgrade	\$250,000
10	Four new netball courts and Hammond Road car park extension	\$4,067,000
11	Community building upgrade/extension	\$12,142,000

It was noted that further investigative work was required to support the business case for some proposals given the remaining asset life of the existing building, and the extension of playing opportunities provided by court lighting.

The short-term priority areas include:

1. Netball floodlights (subject to funding being secured through successful grant application)
2. Begin investigation into the adjoining DFES Fire Station site
3. Smaller infrastructure items, including:
 - a. Australian football goals – for umpire training
 - b. Basketball pad - \$20,000 funding previously allocated
 - c. Southern fence extension – minimise Sting Nematode affecting turf.

The investigations into the DFES site requires a level of work outside of the scope of the master plan process.

It is anticipated that once the final master plan is endorsed, Officers will progress more investigation work and present a report to a future Council meeting for a decision specifically relating to this site.

It is noted that demolition of the fire station commenced in December 2024.

Community and Stakeholder Feedback

During the public comment period, feedback was sought under the following key questions:

- How satisfied are you with the overall draft Master Plan for Success Reserve?
- Is there anything you think we may have missed within the draft Concept Building Plan (upgrades to the community facility), that should be considered?
- Is there anything you think we may have missed within the draft Concept Site Plan (upgrades to the oval, parking, netball courts, lighting, and outdoor precinct) that should be considered?
- Is there anything else you would like to say about the draft Master Plans for Success Reserve?

25 online submissions and three written submissions were received (Attachment 2), with the majority of comments in support of the draft master plan. Overall 88% were either neutral/satisfied/very satisfied with the plan.

Feedback on key infrastructure elements is summarised below:

Element	Feedback
Playing fields	<ul style="list-style-type: none"> • Desire for 3 senior playing fields • Lighting to 200 lux standard main field • Prioritise lighting.
Courts	<ul style="list-style-type: none"> • Cover to netball courts/indoor courts • More shelters/increased run-off • Improved drainage • Pedestrian safety around courts.
Building	<ul style="list-style-type: none"> • More toilets • Increased undercover areas • Consideration of a parenting room • Prioritise building upgrades • Consideration of increase to change room size • Consideration of dedicated gym for rugby.
Play	<ul style="list-style-type: none"> • More play for younger children • Natureplay.
Active elements	<ul style="list-style-type: none"> • Consider half court instead of 3x3, more than one court • Consider relocating outdoor gym closer to school for student use • Consider tennis hit-up wall/tennis courts.
Parking	<ul style="list-style-type: none"> • Consideration of bus parking • More parking • More ACROD • Additional signage directing to alternative/overflow parking.
General	<ul style="list-style-type: none"> • Enhanced security, lighting, CCTV, shade, shelter • More toilets • Improved pathway connections to the school • More provision for local residents, rather than netball/rugby visitors • More seating.

Impact of Feedback on Master Plan or Priorities

The draft master plan report noted the following three priorities: Netball floodlights, DFES site investigation, smaller infrastructure items.

It is recommended that these priorities remain unchanged as court lighting is in progress; DFES investigations may take some time and inform further stages; and lastly, the small infrastructure items provide for some 'quick wins' to alleviate minor pain points at the site.

The majority of feedback received can be considered and incorporated into design as each element is progressed.

Parking continues to be a prevailing issue at the site, while no change to the priority order is recommended, some consideration may be given to the timing of the parking elements when reviewed as part of the annual budget and long term financial plan reviews.

The submissions provided by Rugby WA and the Southern Lions Rugby Union Club note their key priorities:

- Ongoing advocacy for three senior size playing fields
- Prioritising lighting to 200 lux for the main field, and 100 lux for the outer area
- Prioritising building upgrade, in particular change room.

Playing fields. The report notes:

“No change with regard to the number and size of existing rugby fields. The investigation has demonstrated that the site cannot accommodate three full size fields with the 5m run-off for each, without installation of extensive high fencing, reducing the run-off to 3m for each field and the compromising on the interchange and viewing arrangements.” Rugby has proposed discussions with Watercorp with view to any opportunity for extending the playing fields. This could be undertaken while progressing remaining proposals.

Playing field lighting. The submission notes that the responsibility for lighting beyond the City provision standards would be at the cost of Rugby. Should external funding be made available, the timing and prioritisation of this element could be adjusted accordingly.

Reprioritising building upgrade. Further investigations, detailed design and funding and staging options need to be undertaken to inform a business case for this element. The remaining useful asset life of the building may provide some challenges in demonstrating cost benefit ratio. While noted as Priority 11 – the further investigative work on this element will run concurrently to the implementation of the lower value proposals.

Conclusion

The feedback from the draft Master Plan consultation period is noted and will inform ongoing implementation of the endorsed Master Plan during detailed planning and design stages of each element.

The Success Reserve Master Plan and priority proposals will guide further work and inform the City’s project and financial planning activity.

Strategic Plans/Policy Implications

Community, Lifestyle and Security

A vibrant healthy, safe, inclusive, and connected community.

- Accessible and inclusive community, recreation and cultural services and facilities that enrich our community.
- A safe and healthy community that is socially connected.

Budget/Financial Implications

Funding requests will be included as part of the Annual Budget process to support the planning and development of project proposals identified as priorities within the endorsed Master Plan.

Part of one of the priority projects identified – *Priority 1 – Outdoor Courts Sports Floodlighting*, was included in the September 2024 Report considering the annual CSRFF grant applications (2024/MINUTE NO 0188) Success Reserve Netball Courts Floodlighting Upgrade.

The total construction estimate was \$562,497 with a grant request of \$187,499 and City contribution of \$374,998. A budget submission will be presented in the City's annual budget process for 2025/26.

Legal Implications

N/A

Community Consultation

The Draft Success Master Plan was made available following the September 2024 Council decision, and stakeholders, nearby residents and general community members were advised of its availability.

Opportunity for feedback was made available via:

- Online – via Comment on Cockburn
- In person – through 30-minute, in person meeting the engagement team
- In writing.

The public comment period closed on 4 November 2024.

Provided with this report is a Community Feedback Summary (Attachment 2) which details the methods used and the feedback received during the recent stakeholder and community comment period.

Risk Management Implications

Given the number of proposals and the significant costs involved in completing all those identified, there is a low reputational risk of community/stakeholder concerns with an extended timeframe for delivery and costs.

There is a low reputational risk where users may have different or emerging priorities over the timeframe to implement all identified proposals, however the Master Plan needs to consider all aspects when determining priority order, and changes in circumstances can be accommodated during ongoing annual review of capital and planning programme.

If Council decides to defer or not support the Master Plan, the City's future priorities will be at a medium risk of not meeting community needs for the site along with being challenged to manage expectation within its available resources.

Advice to Proponent(s)/Submitters

The Proponent(s) and those who lodged a submission on the proposal have been advised that this matter is to be considered at the 11 February 2025 Ordinary Council Meeting.

Those who lodged a submission as part of the recent public comment period on the draft Success Reserve Master Plan will be advised of the outcome following Council's decision.
