

# Bulk Waste and Garden Organics Verge Collection

Place all verge material out by 6am on the Monday of the collection week. Do not place verge material out more than **THREE** days before the collection begins for your area. Separating your waste, as per picture on the next page will help us recycle. Please notify the City of combined waste presented.

Please ensure you are aware of your correct area by number and colour.

Please do not present more than two cubic metres.

**Residential Properties Only**

# Important information for verge collections

Details on how to present verge waste:

- ✓ Do not place verge material out more than **three days** before the collection date for your area. A non-compliance notice will be issued for early “set outs”
- ✓ Ensure your verge material is presented before 6am on the Monday of your collection week. The City will not return for waste that was set out late
- ✓ Place away from walls, fences, water meters, power poles and letterboxes
- ✓ Separate white goods, steel, mattresses and e-waste from other verge collection items for recycling
- ✓ Keep checking your pile to ensure no illegal dumping has occurred (refer to following page)
- ✗ Do not place on vacant land, reserves or parklands
- ✗ Do not place on artificial turf, brick paving or driveway. Contact the City for an alternative pick up location
- ✗ Do not place under trees or over sprinklers
- ✗ Do not follow your neighbour – check your collection date

**If your verge bulk waste or garden organics are not compliant, we will not return to collect them.**

**Please do not present more than two cubic metres.**
