Tender Title:	RFT 11/2026 – SOLAR PV & BESS SUPPLY & INSTALLATION
Request ID:	79318
Tender Description:	The purpose of this contract is to procure a complete, end-to-end solution that delivers fully operational, grid-connected solar PV and BESS installations. The contractor is required to design, engineer, supply, install, commission and provide training for all systems specified in the Scope of Works & Technical Specification, as well as deliver performance guarantees and first-year maintenance. The required outcome is the delivery of reliable, safe, and high-performing renewable-energy systems that meet the City's technical, operational and sustainability objectives within the agreed timeframe.
