To provide guidance in the preparation of City of Cockburn (the City) financial statements to ensure disclosure requirements are met for Australian Accounting Standards Board Standard AASB: 124 Related Party Disclosures (AASB 124).

Policy Statement

The objective of AASB 124 is to ensure that an entity's financial statements contain the disclosures necessary to draw attention to the possibility that its financial position and profit or loss may have been affected by the existence of 'related parties' and by transactions and outstanding balances, including commitments, with such parties.

(1) Identification of Related Parties

AASB 124 provides that the City will be required to disclose in its Annual Financial report, related party relationships, transactions and outstanding balances. 'Related Parties' include a person or entity that has significant influence over the reporting entity. The City will therefore be required to assess all transactions made with these persons or entities.

(2) Review of Related Parties

1. The Chief Executive Officer (CEO) will regularly review Key Management Personnel (KMP) where changes are made to existing persons.
2. For the purposes of determining whether a related party transaction has occurred, the following transactions or provisions of services have been identified as meeting this criterion:

 - (c) Attending Council functions that are opened to the public
 - (d) Employee compensation whether it is for KMP or close family members of KMP
