FUNCTION DELEGATED:

The authority to approve the installation or modification of parking controls for the management of vehicle parking on public roads, reserves or any City owned or managed facility pursuant to the Local Laws (Parking and Parking Facilities).

CONDITIONS/GUIDELINES:

- (1) A suitable level of information to support the proposal for the installation/modification of parking controls shall be provided to the Authorising Officer prior to any approval being issued.
- (2) Where the proposal is considered to have a low impact no community consultation is necessary prior to approval of the proposal being granted. However, informing the community about the change(s) to parking controls may be desirable at the time that the changes are implemented,

Low impact proposals are considered to be proposals that either will have no negative impact on adjacent properties or may affect only 1-2 properties.

- (3) Community consultation shall be undertaken with any occupier/landholder whose property has a direct frontage with vehicle access to the section of road(s) associated with the parking controls, where the proposal is considered to have a high impact.

Examples of high impact proposals would include:
