BACKGROUND:

Council has limited the total amount allocated in grants, donations and sponsorships to 2% of the Council's rates income. To ensure that these funds are distributed in a rational way, eligibility, selection and evaluation criteria are required for the assessment and prioritisation of applications to be funded.

The funds allocated to local community organisations, groups and individuals are to assist in the provision of the services they provide.

PURPOSE:

To establish eligibility, selection and evaluation criteria for the allocation of grants, donations and sponsorships to community groups, organisations, and individuals for funds included on Council's budget.

The policy guides how Council responds to requests for financial assistance in line with the City's Strategic Community Plan and aims to optimise the use of Council funds to support community groups, organisations and individuals to deliver social, environmental and economic benefits.
