## Information for Parents/Guardians

### **Cancellation Procedure**

If members are unable to attend their class, the centre must be notified 24 hours prior to the beginning of class. Credits will be given to participants if they notify the centre within this timeframe. If participants do not notify the centre of their absence they are not eligible for a credit. A credit can be used within 3 months (that term/holiday period) of the cancellation date. If the Youth Centre, for unforeseen reasons, cancels a term class the member will automatically be issued with a credit which can be used by liaising with the centres Bookings and Activities Officer for an alternative arrangement.

### **Behaviour and Consequences**

Misbehaviour will be dealt with using our warning system. Usually there will be 3 warnings given. On the third warning the young person will be asked to leave the Youth Centre immediately, and will be given a ban for a specific period of time depending on the severity of the incident and at the discretion of the Youth Centre staff. The warning level may also be automatically escalated depending on the severity of the breach.
