- All recyclable items and general waste must be separated prior to arriving on site. Failure to comply may result in the load being rejected or subject to additional fees
- Each load will be assessed by the gatehouse attendant whose decision shall be final.

Trailer passes

Cockburn property owners receive six trailer passes with their annual rates notices.

Trailer passes can be used for standard entry into the Henderson Waste Recovery Park and for green waste disposal. They also allow for green waste disposal only at the Regional Resource Recovery Centre in Canningvale.

Please present your trailer pass at the gate. Vouchers must be intact or may be scanned directly from a mobile device.

If you rent a property, contact your landlord or agent to request a trailer pass.

If you do not have a trailer pass, you will need to pay the entry fee.

You cannot sell or transfer your trailer passes.

Please note there is an additional charge for the disposal of innerspring mattresses, tyres and class II and III waste.
