

## **New Cockburn Bowling and Recreation Facility – Video Transcript**

### **Anyone for beach volleyball, mini-football, bowls or darts?**

I'm delighted to be here as the Mayor of the City of Cockburn to officially open the Cockburn Bowling and Recreation Facility here, a \$9.2 million dollar facility aimed at bringing the community together. We're offering here lawn bowls, a beach volleyball, futsal and the opportunity for people come along and become members, social members even, and participate in the growth and development of this particular area. We're just observing now families just walking down here from their nearby homes, pushing strollers and prams and that's the future that is Cockburn, a growing community where families can come together, enjoy amazing facilities and just get to know their neighbours, and what's happening in their local neighbourhood indeed.
