

Cockburn Cares Bingo transcript

Yes! BINGO! BINGO!

We pick up clients from their home; we bring them into the Cockburn Cares Centre

We offer them a nice afternoon tea and some nibblies to eat.

Then after 5 o'clock, we bring them to the RSL.

Because they enjoy coming to their bingo

We have a nice two course meal

For a special price of five dollars, which is amazing

Any now all the clients are all looking forward to playing the bingos.

We play five lots of games

But for the clients, this is their only night out.

They get to go out twice a month, the first and second third Friday

They really look forward to it, they have a really good special time out with us.
