

Clean Ocean, Clean Catch – Video Transcript

Oh yeah, I've been doing this most of my adult life.

I mean, I can't get enough of it, hey?

I like a bit of it on the weekend, down at the beach.

The other half isn't that much into it, but it's all good as long as I have a shower afterwards.

But some people are ruining it for all of us.

They're leaving their mess everywhere.

If you're going to do it, do it respectfully.

I mean, nobody wants to see that,

Could you imagine not being able to do this anymore?

Fishing tackle, balloons and cigarette butts are depleting our marine life and making a mess of the ocean.

Let's keep it litter free.
