Model	Purpose	Duration
Sister City	A Sister City relationship is a formal, long-term relationship based on diverse linkages between the two cities, including cultural, educational, tourism, sporting and business links. Sister Cities often have similar demographic and other characteristics; however, this is not a mandatory requirement. The relationship requires a high degree of commitment on both sides. 	lower profile. It is likely to be a long-term relationship, but the level of required community support and involvement is not as high as for a Sister City relationship. For example, the purpose may be for only a particular sporting event held on an annual basis, cultural diversity, a specific project, specific objectives and opportunities between two cities, mentoring.	
Memorandum of Understanding (MoU)	A MoU is a document describing a bilateral or multilateral agreement between parties. It expresses a convergence of will between the parties, indicating an intended common line of action, and may not imply a legal commitment. It is a more formal alternative to a Statement of Intent, but in some cases, depending on the exact wording, lacks the binding power of a contract.	Generally entered into for a specific term.
