Native Plant **Subsidy Scheme**

Cockburn Environmental Services

www.cockburn.wa.gov.au/environment

City of Cockburn offers residents the opportunity to purchase local native plants for their gardens at a subsidised price during the month of May.

Native plants help to create habitat for local animals, are waterwise and can help cool your house naturally.

To redeem this offer please complete the voucher on the back of this flyer and present it to **Apace Nursery**.

Residents may be required to provide "proof of address" along with this voucher to purchase plants.

VOUCHER

This voucher entitles the bearer to purchase up to 20 local native plants at a subsidized price. Stocks are limited. To avoid disappointment contact nursery prior to pickup.

To redeem this offer please visit **Apace Nursery** during May.
