CITY OF COCKBURN

# Garden Waste Bin Trial

**NEW** collection starts Wednesday, 7 October 2015

This new garden waste bin service is at **NO** extra cost!

It complements your existing waste services as outlined in your Waste Resource Recovery Calendar.

Reduce the amount of resources you consume,  
Re-use the ones you have, and Recycle the ones you cannot use.

# IN-KITCHEN RECYCLING TUB

The City is providing in-kitchen recycling tubs to residents within the trial, with the aim of assisting households to recover more of their recyclables. Use your recycling tub to collect clean recyclables. When full, these are to then be placed in your yellow-lidded 240L recycling bin

## RECYCLING TIPS

- Remove lids from all jars, bottles and plastic containers
- Rinse containers as necessary
- Place all recyclables loose in the bin
- Place all plastics in the recycling, including plastic wrappers

All plastic containers & plastic wraps  
(empty with lids off)

All glass & ceramics  
(whole & broken)

All paper, junk mail, glossy magazines & cardboard products  
(empty)

All metal containers, steel & aluminium including aerosol cans

Hi, I'm your Recycling Bin and will be collected weekly.
