## **BACKGROUND:**

The City of Cockburn is well placed to accommodate tourists with good access to Perth CBD and Fremantle, major transport networks, health and educational facilities, and access to world-class beaches. Tourist and other short-term accommodation proposals are therefore expected to increase within the City and Local Planning Scheme No. 3 (LPS 3) provides limited development standards for such proposals.

## **PURPOSE:**

The purpose of this policy is to provide development standards for the following land use types as defined in Local Planning Scheme No. 3:

- Tourist Accommodation (including cabins, chalets, short-stay self-contained accommodation and similar forms of tourist accommodation);
- Bed and Breakfast;
- Hotel;
- Motel;
- Holiday Home (Standard); and
- Caravan Parks.

The policy does not provide development standards for long-stay Park Home, Residential Parks, Lifestyle Villages or Hotels that do not contain accommodation.
